One Page Paper Format

Writing a one-page paper in APA format is not an especially easy task, but it is indeed possible if you don't count the title page and references. If you must, then the paper has to contain all four major elements on one page. An APA-style paper consists of a title page with a running head, an abstract, the body of the paper with its various sections and/or in-text citations and/or footers and finally, the reference page.
