HRCalifornia Overview - HRCalifornia

California is among the states that have enacted reference immunity laws. Under California law, truthful communications about job performance or employment qualifications of a current or former employee are privileged as long as the communication is based on credible evidence and made without malice (CA Civ. Code Sec. 47(c)). Privileged communication includes answering the question, “Would you rehire the employee?”

California References laws & HR compliance analysis

Businesses will now have to honor requests from California residents to access, delete, and opt out of sharing or selling their information. Additionally, businesses will have to consider a number of CCPA-specific requirements when updating their privacy programs, such as the CCPA’s prescriptive opt-out measures, and the need to stop selling consumer data upon an individual’s request.

A Quick Reference Guide for CCPA Compliance | Deloitte US

Employee Reference Checks It is the policy of the Department of General Services (DGS) that an employee reference check shall be conducted on all appointments, regardless of the appointment method. From a sound personnel management perspective, conducting thorough reference checks is the best method to identify potential problem employees.

Employee Reference Checks - California

The minimum wage in California varies depending on the size of the employer. Currently, an employer with 25 or fewer employees must pay employees \$12.00 per hour and an employer with 26 or more employees must pay employees \$13.00 per hour.
