See You at the Summit

My Blind Journey from the Depths of Loss to the Heights of Achievement

Randy Pierce was on top of the world, 22 years old, fresh out of college and thriving at an excellent job. His promising future seemed certain. Then, in just two short and devastating weeks, an unexpected neurological disorder plunged him into blindness. Randy, believing his future had vanished in the blink of an eye, wondered, "How can my life have meaning now?" Before he could fully answer, he had further to fall. Blindness was far from the worst challenge he would face. *See You at the Summit* is Randy's uplifting personal account of his journey through adversity to accomplishment. This improbable tale of human resiliency follows Randy as he learns to pick up the pieces of his life while discovering the extreme love, devotion and bravery of his guide dogs. He climbs from his lowest point, persevering to historic achievements in hiking, winning a National Marathon Championship, and becoming a highly sought motivational speaker. Randy's insightful vision will show you how our choices in responding to life's challenges define us so much more than those challenges ever could and perhaps, how a blind man really can see! *See You at the Summit* is built upon an indomitable spirit inviting you to share in summits of success and reach your

See You at Harry's Candlewick Press

Starting middle school brings all the usual challenges — until the unthinkable happens, and Fern and her family must find a way to heal. Twelve-year-old Fern feels invisible. It seems as though everyone in her family has better things to do than pay attention to her: Mom (when she's not meditating) helps Dad run the family restaurant; Sarah is taking a gap year after high school; and Holden pretends that Mom and Dad and everyone else doesn't know he's gay, even as he fends off bullies at school. Then there's Charlie: three years old, a "surprise" baby, the center of everyone's world. He's devoted to Fern, but he's annoying, too, always getting his way, always dirty, always commanding attention. If it wasn't for Ran, Fern's calm and positive best friend, there'd be nowhere to turn. Ran's mantra, "All will be well," is soothing in a way that nothing else seems to be. And when Ran says it, Fern can almost believe it's true. But then tragedy strikes- and Fern feels not only more alone than ever, but also responsible for the accident that has wrenched her family

apart. All will not be well. Or at least all will never be the same.

Steps to the Top *Pelican Publishing*

Not If I See You First *Poppy*

In the tradition of novels of Gayle Forman and John Green comes this extraordinary YA debut about a blind teen girl navigating life and love in high school. Parker Grant doesn't need 20/20 vision to see right through you. That's why she created the Rules: Don't treat her any differently just because she's blind, and never take advantage. There will be no second chances. Just ask Scott Kilpatrick, the boy who broke her heart. When Scott suddenly reappears in her life after being gone for years, Parker knows there's only one way to react--shun him so hard it hurts. She has enough on her mind already, like trying out for the track team (that's right, her eyes don't work but her legs still do), doling out tough-love advice to her painfully naive classmates, and giving herself gold stars for every day she hasn't cried since her dad's death three months ago. But avoiding her past quickly proves impossible, and the more Parker learns about what really happened--both with Scott, and her dad--the more she starts to question if things are always as they seem. Maybe, just maybe, some Rules are meant to be broken. Combining a fiercely engaging voice with true heart, debut author Eric Lindstrom's *Not If I See You First* illuminates those blind spots that we all have in life, whether visually impaired or not.

The Daily Show (The Book)

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests *Grand Central Publishing*

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the

people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The 48 Laws Of Power *Profile Books*

THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

_____ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start

surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

Isn't it time YOU experienced the view from the top! Zig Ziglar dedicated his life to teaching people the art of successful living. CEO Excellence

The Six Mindsets That Distinguish the Best Leaders from the Rest *Simon and Schuster*

From the world's most influential management consulting firm, McKinsey & Company, an insight-packed, revelatory look at how the best CEOs do their jobs based on extensive interviews with today's most successful corporate leaders—including chiefs at Netflix, JPMorgan Chase, General Motors, and Sony. Being a CEO at any of the world's largest companies is among the most challenging roles in business. Billions, and even trillions, are at stake—and the fates of tens of thousands of employees often hang in the balance. Yet, even when “can't miss” high-achievers win the top job, very few excel. Thirty percent of Fortune 500 CEOs last fewer than three years, and two out of five new CEOs are perceived to be failing within eighteen months. For those who shoulder the burden of being the one on whom everyone counts, a manual for excellence is sorely needed. To identify the 21st century's best CEOs, the authors of CEO Excellence started with a pool of over 2400 public company CEOs. Extensive screening distilled that group into an elite corps, sixty-seven of whom agreed to in-depth, multi-hour interviews. Among those sharing their views: Jamie Dimon (JPMorgan Chase), Satya Nadella

(Microsoft), Reed Hastings (Netflix), Kazuo Hirai (Sony), Ken Chenault (American Express), Mary Barra (GM), and Peter Brabeck-Letmathe (Nestlé). What came out of those frank, no-holds-barred conversations is a rich array of mindsets and actions that deliver outsized performance. Compelling, practical, and unprecedented in scope, *CEO Excellence* is a treasure trove of wisdom from today's most elite business leaders.

The Sarina Russo Story

Passion, persistence and self-belief transformed Sarina Russo from a fired legal secretary into a fired-up international leader in education, training, recruitment and job creation. *MEET ME at the Top!* is the inspiring and motivational story of how Sarina Russo used adversity as a stepping stone to massive success. In 1979, Sarina combined inspiration and desperation to open a small typing school with just nine students. On graduation, she

promised all the students jobs and she delivered. The ability to achieve is what the Sarina Russo brand stands for and why people have trusted it for nearly four decades. Synonymous with the phrases 'How to Get that Job' and 'See You at the Top', Sarina's philosophy is to constantly challenge the status quo, think differently, exceed expectations and deliver with speed and urgency. Sarina continues to build, both personal and business momentum since MEET ME at the Top! was first published in 2002. Sarina's dream to run her own University campus came to fruition when Russo Higher Education partnered with James Cook University to open James Cook University Brisbane in 2006. Soon afterwards, Sarina expanded into the apprenticeship and trainee sector with Sarina Russo Apprenticeship Services delivering assistance and advice to apprentices and employers in over 600 industry sectors. In 2009, Sarina's leadership qualities saw her 'rev-up' instead of close down when Sarina Russo Job Access lost Government contracts for 11 of her 19 Queensland offices. Determined to make no one redundant Sarina reinvented the offices as training centres. Sarina fought back six years later to become Australia's largest employment and apprenticeship provider. She now operates over 200 sites globally in Australia, The Midlands in the UK as well as India, Vietnam and China. If you want to be inspired to believe in yourself, go that extra mile and become more, enjoy reading MEET ME at the Top!

Dare to Lead

Brave Work. Tough Conversations. Whole Hearts. *Random House*

#1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the

wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Look for Brené Brown's new podcast, Dare to Lead, as well as her ongoing podcast Unlocking Us! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and

how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read *Daring Greatly* and *Rising Strong* or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

—Stephen King For more than ten years, a mysterious and violent
predator committed fifty sexual assaults in Northern California
before moving south, where he perpetrated ten sadistic murders.
Then he disappeared, eluding capture by multiple police forces
and some of the best detectives in the area. Three decades later,
Michelle McNamara, a true crime journalist who created the
popular website TrueCrimeDiary.com, was determined to find the

violent psychopath she called “the Golden State Killer.” Michelle
pored over police reports, interviewed victims, and embedded
herself in the online communities that were as obsessed with the
case as she was. I’ll Be Gone in the Dark—the masterpiece
McNamara was writing at the time of her sudden death—offers an
atmospheric snapshot of a moment in American history and a
chilling account of a criminal mastermind and the wreckage he
left behind. It is also a portrait of a woman’s obsession and her
