Ten Days to Self-Esteem

The Leader's Manual *Harper Collins*

Do you wake up dreading the day? Do you feel discouraged with what you've accomplished in life? Do you want greater self-esteem, productivity, and joy in daily living? If so, you will benefit from this revolutionary way of brightening your moods without drugs or lengthy therapy. All you need is your own common sense and the easy-to-follow methods revealed in this book by one of the country's foremost authorities on mood and personal relationship problems. In Ten Days to Self-esteem, Dr. David

Burns presents innovative, clear, and compassionate methods that will help you identify the causes of your mood slumps and develop a more positive outlook on life. You will learn that You feel the way you think: Negative feelings like guilt, anger, and depression do not result from the bad things that happen to you, but from the way you think about these events. This simple but revolutionary idea can change your life! You can change the way you feel: You will discover why you get depressed and learn how to brighten your outlook when you're in a slump. You can enjoy greater happiness, productivity, and intimacy—without drugs or lengthy therapy. Can a self-help book do all this? Studies show that two thirds of depressed readers of Dr. Burns's classic bestseller, *Feeling Good: The New Mood Therapy*, experienced dramatic relief in just four weeks without psychotherapy or antidepressant medications. Three-year follow-up studies revealed that readers did not relapse but continued to enjoy their positive outlook. Ten Days to Self-esteem offers a powerful new tool that provides hope and healing in ten easy steps. The methods are based on common sense and are not difficult to apply. Research shows that they really work! Feeling good feels wonderful. You owe it to yourself to feel good!

Ten Days to Self-Esteem *Harper Perennial*

Ten Days to Self-esteem The Leader's Manual To date, Dr. David Burns's classic *Feeling Good: The New Mood Therapy* has sold

more than two and a half million copies. Many people are unaware of the real secret of this book's phenomenal success. Published studies have shown that two thirds of the depressed people who have read Dr. Burns's *Feeling Good* recovered on their own in just four weeks without any professional treatment at all! Even more astonishing is the fact that 77% of these readers maintained their positive outlook for at least two years after reading *Feeling Good*. That's why *Feeling Good* has become a perennial best-seller -- because this book provides hope, compassion, and actual healing for people suffering from depression. Now Dr. Burns offers a powerful new tool with the creation of his *Ten Days to Self-esteem: The Leader's Manual*. This book, along with the accompanying participant's workbook (*Ten Days to Self-esteem*), will show you how to develop exciting short-term groups -- based on the principles in *Feeling Good* -- that will help people from all walks of life overcome depression and develop greater self-esteem and greater joy in daily living. Extensive pilot testing of this program reveals that the groups are suitable for high-functioning, sophisticated people with mild mood problems as well as for less educated people and those with severe- emotional difficulties. The groups can be conducted by mental health professionals in a variety of settings, including: hospitals and clinics day treatment programs high schools and universities corporations twelve-step programs as well as other self-help organizations churches and synagogues correctional facilities HMOs and EAPs This is a time of great challenge for mental health professionals because of severe cutbacks in funding for psychiatric and psychological services. HMOs and other managed health care providers are asking, "Can you

provide quality outpatient treatment in only a handful of sessions? Can you provide a meaningful and healing inpatient experience in a matter of days instead of weeks or months?" This book reveals an entirely new, cost-effective model for helping the majority of people quickly and compassionately. This ten-session training program includes topics such as: "The Price of Happiness" (Step 1) "How to Break Out of a Bad Mood" (Step 4) "Self-esteem -What Is It? How Do I Get It?" (Step 7) "The Perfectionist's Script for Self-defeat" (Step 8) "A Prescription for Procrastinators" (Step 9) "Self-esteem and Spirituality" (Step 10) This Leader's Manual contains clear and detailed instructions for every session in the program. Even if you do not have extensive group experience, the manual will show you how to make your very first group a resounding success. As you develop the program, you will be breaking new ground for people suffering from depression, loneliness, anxiety, and addictions who wish to enrich their lives and feel good about themselves once again!

What's Right with Me

Positive Ways to Celebrate Your Strengths, Build Self-esteem, & Reach Your Potential *New Harbinger Publications*

A mother and daughter team up to help readers identify, focus on, and develop their own strengths. This book offers an approach that leads to greater self-esteem and a richer sense of life's possibilities-a positive and refreshing alternative to

problem-focused self-help books.

Feeling Good

The New Mood Therapy *Harper Collins*

National Bestseller – Over five million copies sold worldwide! From renowned psychiatrist Dr. David D. Burns, the revolutionary volume that popularized Dr. Aaron T. Beck's cognitive behavioral therapy (CBT) and has helped millions combat feelings of depression and develop greater self-esteem. Anxiety and depression are the most common mental illnesses in the world, affecting 18% of the U.S. population every year. But for many, the path to recovery seems daunting, endless, or completely out of reach. The good news is that anxiety, guilt, pessimism, procrastination, low self-esteem, and other "black holes" of depression can be alleviated. In *Feeling Good*, eminent psychiatrist, David D. Burns, M.D., outlines the remarkable, scientifically proven techniques that will immediately lift your spirits and help you develop a positive outlook on life, enabling you to: Nip negative feelings in the bud Recognize what causes your mood swings Deal with guilt Handle hostility and criticism Overcome addiction to love and approval Build self-esteem Feel good everyday This groundbreaking, life-changing book has helped millions overcome negative thoughts and discover joy in their daily lives. You owe it to yourself to FEEL GOOD! "I would personally evaluate David Burns' *Feeling Good* as one of the most significant books to come out of the last third of the Twentieth Century." ?- Dr. David F. Maas, Professor of English, Ambassador University

Feeling Good Together

The Secret to Making Troubled Relationships Work *Harmony*

Based on twenty-five years of clinical experience and groundbreaking research on more than 1,000 individuals, *Feeling Good Together* presents an entirely new theory of why we have so much trouble getting along with each other, and provides simple, powerful techniques to make relationships work. We all have someone we can't get along with—whether it's a friend or colleague who complains constantly; a relentlessly critical boss; an obnoxious neighbor; a teenager who pouts and slams doors, all the while insisting she's not upset; or a loving, but irritating spouse. In *Feeling Good Together*, Dr. David Burns presents Cognitive Interpersonal Therapy, a radical new approach that will help you transform troubled, conflicted relationships into successful, happy ones. Dr. Burns' method for improving these relationships is easy and surprisingly effective. In *Feeling Good Together*, you'll learn how to: - Stop pointing fingers at everyone else and start looking at yourself. - Pinpoint the exact cause of the problem with any person you're not getting along with. - And solve virtually any kind of relationship conflict almost instantly. Filled with helpful examples and brilliant, user-friendly tools such as the Relationship Satisfaction Test, the Relationship Journal, the Five Secrets of Effective Communication, the Intimacy Exercise, and more, *Feeling Good Together* will help you enjoy far more loving and satisfying relationships with the people you care about. You deserve rewarding, intimate relationships. *Feeling Good Together* will show you how.

How to Raise Your Self-Esteem

The Proven Action-Oriented Approach to Greater Self-Respect and Self-Confidence *Bantam*

Of all the judgments you make in life, none is as important as the one you make about yourself. The difference between low self-esteem and high self-esteem is the difference between passivity and action, between failure and success. Now, one of America's foremost psychologists and a pioneer in self-esteem development offers a step-by-step guide to strengthening your sense of self-worth. Here are simple, straightforward and effective techniques that will dramatically improve the way you think and feel about yourself. You'll learn: How to break free of negative self-concepts and self-defeating behavior. How to dissolve internal barriers to success in work and love. How to overcome anxiety, depression, guilt and anger. How to conquer the fear of intimacy and success. How to find -- and keep -- the courage to love yourself. And much more.

The Self-Esteem Workbook *New Harbinger Publications*

People of all ages, backgrounds, and circumstances struggle with low self-esteem. This long-awaited, fully revised second edition of the best-selling *The Self-Esteem Workbook* includes up-to-date information on brain plasticity, and new chapters on forgiveness, mindfulness, and cultivating lovingkindness and compassion. If your self-esteem is based solely on performance—if you view yourself as someone who's worthy only when you're performing well or acknowledged as doing a good job—the way you feel about yourself will always depend on external factors. Your self-

esteem affects everything you do, so if you feel unworthy or your confidence is shaped by others, it can be a huge problem. With this second edition of *The Self-Esteem Workbook*, you'll learn to see yourself through loving eyes by realizing that you are inherently worthy, and that comparison-based self-criticism is not a true measure of your value. In addition to new chapters on cultivating compassion, forgiveness, and unconditional love for yourself and others—all of which improve self-esteem—you'll find cutting-edge information on brain plasticity and how sleep, exercise, and nutrition affect your self-esteem. Developing and maintaining healthy self-esteem is key for living a happy life, and with the new research and exercises you'll find in this updated best-selling workbook, you'll be ready to start feeling good about yourself and finally be the best that you can be.

Feeling Good

The New Mood Therapy *Harper Collins*

The good news is that anxiety, guilt, pessimism, procrastination, low self-esteem, and other "black holes" of depression can be cured without drugs. In *Feeling Good*, eminent psychiatrist, David D. Burns, M.D., outlines the remarkable, scientifically proven techniques that will immediately lift your spirits and help you develop a positive outlook on life. Now, in this updated edition, Dr. Burns adds an All-New Consumer's Guide To Anti-depressant Drugs as well as a new introduction to help answer your questions about the many options available for treating depression. - Recognise what causes your mood swings - Nip negative feelings in the bud - Deal with guilt - Handle hostility

and criticism - Overcome addiction to love and approval - Build self-esteem - Feel good everyday

Self-Esteem

A Proven Program of Cognitive Techniques for Assessing, Improving, and Maintaining Your Self-Esteem *New Harbinger Publications*

If you struggle with low self-esteem, or you're seeking positive and effective ways of building a healthy sense of self-worth, this much-anticipated fourth edition of the best-selling classic by Matthew McKay is your go-to guide. This fully revised edition features an innovative application of acceptance and commitment therapy (ACT) to self-esteem, and utilizes updated cognitive behavioral therapy (CBT) to help you create positive change and thrive. Circumstances and status can affect self-esteem—many factors can contribute to the way we see ourselves—but the one contributing factor that all people who struggle with low self-esteem have in common is our thoughts. Of course we all have a better chance of feeling good about ourselves when things are going well, but it's really our interpretation of our circumstances that can cause trouble, regardless of what they are. This revised and updated fourth edition of the best-selling *Self-Esteem* uses proven-effective methods of CBT and relevant components of ACT to help you raise low self-esteem by working on the way you interpret your life. You'll learn how to differentiate between healthy and unhealthy self-esteem, how to uncover and analyze negative self-statements, and how to create new, more objective and positive

self-statements to support your self-esteem rather than undermine it. And with cutting-edge material on defusion and values, you'll learn to let go of judgmental, self-attacking thoughts and act in accordance with what matters to you most, enhancing your sense of self-worth. If you struggle with low or unhealthy self-esteem, this new edition of *Self-Esteem*, packed with evidence-based tips and techniques, has everything you need to improve the way you see yourself for better overall well-being.

When Panic Attacks

The New, Drug-Free Anxiety Therapy That Can Change Your Life *Harmony*

The truth is that you can defeat your fears. With more than forty simple, effective techniques, you'll learn how to overcome every conceivable kind of anxiety without medication. Are you plagued by fears, phobias, or panic attacks? Do you toss and turn at night with a knot in your stomach, worrying about your job, your family, work, your health, or relationships? Do you suffer from crippling shyness, obsessive doubts, or feelings of insecurity? What you may not realize is that these fears are almost never based on reality. When you're anxious, you're actually fooling yourself, telling yourself things that simply aren't true. See if you can recognize yourself in any of these distortions: All-or-Nothing Thinking: "My mind will go blank when I give my presentation at work, and everyone will think I'm an idiot." Fortune Telling: "I just know I'll freeze up and blow it when I take my test." Mind Reading: "Everyone at this party can see how nervous I am."

Magnification: "Flying is so dangerous. I think this plane is going to crash!" Should Statements: "I shouldn't be so anxious and insecure. Other people don't feel this way." Emotional Reasoning: "I feel like I'm on the verge of cracking up!" Self-Blame: "What's wrong with me? I'm such a loser!" Mental Filter: "Why can't I get anything done? My life seems like one long procrastination." Now imagine what it would feel like to live a life that's free of worries and self-doubt; to go to sleep at night feeling peaceful and relaxed; to overcome your shyness and have fun with other people; to give dynamic presentations without worrying yourself sick ahead of time; to enjoy greater creativity, productivity and self-confidence. With these forty techniques, you'll be able to put the lie to the distorted thoughts that plague you and your fears will immediately disappear. Dr. Burns also shares the latest research on the drugs commonly prescribed for anxiety and depression and explains why they may sometimes do more harm than good. This is not pop psychology but proven, fast-acting techniques that have been shown to be more effective than medications. *When Panic Attacks* is an indispensable handbook for anyone who's worried sick and sick of worrying.

The Self-Esteem Guided Journal *ReadHowYouWant.com*

Since its publication in 1987, *Self-Esteem* by Matthew McKay and Patrick Fanning has set the standard for self-help books that seek to improve self-esteem. With more than 600,000 copies sold through its three editions, *Self-Esteem* has helped hundreds of thousands of readers learn to think more positively about themselves, bringing them greater happiness, success, and peace of mind. But *Self-Esteem* is more than just one book. The

Self-Esteem Companion, published in 1999, distilled the best techniques of the original book into sixty simple exercises that readers could learn and use when and wherever they went. Now, the people who brought you Self-Esteem and The Self-Esteem Companion have once again adapted the inspiring techniques from the original book into a new and exciting project. This book uses a technique known as guided journaling to help readers teach themselves to vocalize their feelings, conquer self-doubt, discover their strengths-and generally change the way they think and feel about themselves for the better. The Self-Esteem Guided Journal offers you a ten-week program of writing exercises that will help you shift your focus from the things wrong with your life to the things that are right. The book begins with a week of journaling about non-judgment-regarding everything from people in the news to your own behavior. Weeks two and three guide you to discover your strengths and redefine your weaknesses. The exercises in weeks five and six help you review your past to see how formative events have affected your self-esteem. Week seven focuses on the impact of thoughts, while week eight works to help you learn how to hold to your own truths and stand up for yourself. In week nine, you'll directly explore your experiences with your own self-esteem Achilles heel, and finally, week ten helps you create daily opportunities to experience your personal worth and serves as a launching pad for future journaling activities.

Revolution from Within

A Book of Self-Esteem *Open Road Media*

Newly updated: The bestseller “that could bring the human race a little closer to rescuing itself” from the subject of the film *The Two Glorias* (Naomi Wolf). Without self-esteem, the only change is an exchange of masters; with it, there is no need for masters. When trying to find books to give to “the countless brave and smart women I met who didn’t think of themselves as either brave or smart,” Steinem realized that books either supposed that external political change would cure everything or that internal change would. None linked internal and external change together in a seamless circle of cause and effect, effect and cause. She undertook to write such a book, and ended up transforming her life, as well as the lives of others. The result of her reflections is this truly transformative book: part personal collection of stories from her own life and the lives of many others, part revolutionary guide to finding community and inspiration. Steinem finds role models in a very young and uncertain Gandhi as well as unlikely heroes from the streets to history. *Revolution from Within* addresses the core issues of self-authority and unjust external authority, and argues that the first is necessary to transform the second. This ebook features an illustrated biography of Gloria Steinem including rare images from the author’s personal collection, as well as a new preface and list of book recommendations from Steinem.

Self-Esteem For Dummies *John Wiley & Sons*

Boost your self-esteem and truly believe that you are perfectly awesome Looking to get your hands on some more self-esteem? You're not alone. Thankfully, *Self-Esteem For Dummies* presents clear, innovative, and compassionate methods that help you

Ten Days to Self-Esteem *William Morrow Paperbacks*

Do you wake up dreading the day? Do you feel discouraged with what you've accomplished in life? Do you want greater self-esteem, productivity, and joy in daily living? If so, you will benefit from this revolutionary way of brightening your moods without drugs or lengthy therapy. All you need is your own common sense and the easy-to-follow methods revealed in this book by one of the country's foremost authorities on mood and personal

relationship problems. In *Ten Days to Self-esteem*, Dr. David Burns presents innovative, clear, and compassionate methods that will help you identify the causes of your mood slumps and develop a more positive outlook on life. You will learn that You feel the way you think: Negative feelings like guilt, anger, and depression do not result from the bad things that happen to you, but from the way you think about these events. This simple but revolutionary idea can change your life! You can change the way you feel: You will discover why you get depressed and learn how to brighten your outlook when you're in a slump. You can enjoy greater happiness, productivity, and intimacy—without drugs or lengthy therapy. Can a self-help book do all this? Studies show that two thirds of depressed readers of Dr. Burns's classic bestseller, *Feeling Good: The New Mood Therapy*, experienced dramatic relief in just four weeks without psychotherapy or antidepressant medications. Three-year follow-up studies revealed that readers did not relapse but continued to enjoy their positive outlook. *Ten Days to Self-esteem* offers a powerful new tool that provides hope and healing in ten easy steps. The methods are based on common sense and are not difficult to apply. Research shows that they really work! Feeling good feels wonderful. You owe it to yourself to feel good!

Feeling Great

The Revolutionary New Treatment for Depression and Anxiety *Pesi Publishing & Media*

Do you sometimes feel [€]. Down, depressed, or unhappy? Anxious, panicky, or insecure? Guilty or ashamed? Inferior,

inadequate, or worthless? Lonely, unwanted, or alone? For decades, we've been told that negative feelings like depression and anxiety are the result of what's wrong with us, like a personality defect, a "mental disorder," or a chemical imbalance in your brain. These messages create feelings of shame and make it sound like we're broken and need to be "fixed." Now, Dr. David Burns, author of the best-selling and highly acclaimed *Feeling Good: The New Mood Therapy* reveals that our negative moods do not result from what's wrong with us, but rather [€] what's right with us. And when you listen and suddenly "hear" what your negative thoughts and feelings are trying to tell you, suddenly you won't need them anymore, and recovery will be just a stone's throw away. In this innovative book, *Feeling Great*, Dr. Burns, describes a new and revolutionary high-speed treatment for depression and anxiety based on 40 years of research and more than 40,000 hours treating individuals with severe mood problems. The goal is not just a rapid and complete elimination of negative feelings, but the development of feelings of joy and enlightenment. Dr. Burns will provide you with inspiring and mind-blowing case studies along with more than 50 amazing tools to crush the negative thoughts that rob you of happiness and self-esteem. You can change the way you feel! You owe it to yourself to FEEL GREAT!

Intimate Connections

The New and Clinically Tested Program for Overcoming Loneliness Developed at the Presbyterian--University of Pennsylvania Medical Center *William Morrow*

Focuses on problems of loneliness, shyness, and sexual insecurity, and outlines specific techniques, including self-assessment tests, for dealing with these problems and other inhibitions

Book of a Thousand Days *A&C Black*

When a beautiful princess refuses to marry the prince her father has chosen, her father is furious and locks her in a tower. She has seven long years of solitude to think about her insolence. But the princess is not entirely alone - she has her maid, Dashti. Petulant and spoilt, the princess eats the food in their meagre store as if she were still at court, and Dashti soon realises they must either escape or slowly starve. But during their captivity, resourceful Dashti discovers that there is something far more sinister behind her princess's fears of marrying the prince, and when they do break free from the tower, they find a land laid to waste and the kingdom destroyed. They were safe in the tower, now they are at the mercy of the evil prince with a terrible secret. Thrilling, captivating, and a masterful example of storytelling at its best. The princess's maid is a feisty and thoroughly modern heroine, in this wonderfully timeless story.

The Six Pillars of Self-esteem *Bantam Doubleday Dell Publishing Group Incorporated*

Demonstrates the role of self-esteem in psychological health and presents six action-based practices that provide a foundation for daily life

Ten Days that Shook the World

An account of the November revolution in Russia. Most of it deals with "Red Petrograd" cf. Pref.

The Feeling Good Handbook

Using the New Mood Therapy in Everyday Life *William Morrow & Company*

Discusses how to overcome fears, phobias, and panic attacks, improve intimate communication, cope with anxiety, and deal with many other everyday problems

I Thought It Was Just Me (but it isn't)

Making the Journey from "What Will People Think?" to "I Am Enough" *Penguin*

Researcher, thought leader, and New York Times bestselling author Brené Brown offers a liberating study on the importance of our imperfections—both to our relationships and to our own sense of self The quest for perfection is exhausting and unrelenting. There is a constant barrage of social expectations that teach us that being imperfect is synonymous with being inadequate. Everywhere we turn, there are messages that tell us who, what and how we're supposed to be. So, we learn to hide our struggles and protect ourselves from shame, judgment, criticism and blame by seeking safety in pretending and perfection. Brené Brown, PhD, LMSW, is the leading authority on the power of vulnerability, and has inspired thousands through her top-selling books *Daring Greatly*, *Rising Strong*, and *The Gifts of Imperfection*, her wildly popular TEDx talks, and a PBS special.

Based on seven years of her ground-breaking research and hundreds of interviews, *I Thought It Was Just Me* shines a long-overdue light on an important truth: Our imperfections are what connect us to each other and to our humanity. Our vulnerabilities are not weaknesses; they are powerful reminders to keep our hearts and minds open to the reality that we're all in this together. Brown writes, "We need our lives back. It's time to reclaim the gifts of imperfection—the courage to be real, the compassion we need to love ourselves and others, and the connection that gives true purpose and meaning to life. These are the gifts that bring love, laughter, gratitude, empathy and joy into our lives."

Overcoming Low Self-Esteem *Constable & Robinson Ltd*

Melanie Fennell's *Overcoming Low Self-Esteem* is a classic of self-help literature, winning acclaim for its practical and user-friendly approach and now recommended on the National Health Service's self-help scheme known as Books on Prescription. This book will aid readers to understand their condition and with this knowledge enable them to break out of the vicious circle of negative self-image, learn the art of self-acceptance and alter their lives for the better. Explains the nature of low self-esteem and self destructive thinking. Contains a complete self-help programme and monitoring sheets. Is based on clinically proven techniques of cognitive therapy.

Ask a Manager

How to Navigate Clueless Colleagues, Lunch-Stealing

Bosses, and the Rest of Your Life at Work *Ballantine Books*

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace,

confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Self-Esteem

A proven program of cognitive techniques for assessing, improving and maintaining your self-esteem *New Harbinger Publications*

Self-esteem is essential for our survival. Without some measure of self-worth, life can be enormously painful, with many basic needs going unmet. One of the main factors differentiating humans from other animals is the awareness of self: the ability to form an identity and then attach a value to it. In other words, you have the capacity to define who you are and then decide if you like that identity or not. The problem of self-esteem is this human capacity for judgment. It's one thing to dislike certain colors, noises, shapes, or sensations. But when you reject parts of your self, you greatly damage the psychological structures that literally keep you alive. Judging and rejecting your self causes enormous pain. Since its first publication in 1987, *Self-Esteem* has become the first choice of therapists and savvy readers looking for a comprehensive, self-care approach to improving self-image, increasing personal power, and defining core values. More than 600,000 copies of this book have helped literally millions of readers feel better about themselves, achieve greater

success, and enjoy their lives to the fullest. You can do it, too!

The Turnaway Study

Ten Years, a Thousand Women, and the Consequences of Having—or Being Denied—an Abortion *Scribner*

"If you read only one book about democracy, *The Turnaway Study* should be it. Why? Because without the power to make decisions about our own bodies, there is no democracy." —Gloria Steinem "Dr. Diana Greene Foster brings what is too often missing from the public debate around abortion: science, data, and the real-life experiences of people from diverse backgrounds...This should be required reading for every judge, member of Congress, and candidate for office—as well as anyone who hopes to better understand this complex and important issue." —Cecile Richards, cofounder of Supermajority, former president of Planned Parenthood, and author of *Make Trouble* A groundbreaking and illuminating look at the state of abortion access in America and the first long-term study of the consequences—emotional, physical, financial, professional, personal, and psychological—of receiving versus being denied an abortion on women's lives. What happens when a woman seeking an abortion is turned away? Diana Greene Foster, PhD, decided to find out. With a team of scientists—psychologists, epidemiologists, demographers, nursing scholars, and public health researchers—she set out to discover the effect of receiving versus being denied an abortion on women's lives. Over the course of a ten-year investigation that began in 2007, she and her team followed a thousand women from more than twenty

states, some of whom received their abortions, some of whom were turned away. Now, for the first time, the results of this landmark study—the largest of its kind to examine women's experiences with abortion and unwanted pregnancy in the United States—have been gathered together in one place. Here Foster presents the emotional, physical, and socioeconomic outcomes for women who received their abortion and those who were denied. She analyzes the impact on their mental and physical health, their careers, their romantic lives, their professional aspirations, and even their existing and future children—and finds that women who received an abortion were almost always better off than women who were denied one. Interwoven with these findings are ten riveting first-person narratives by women who share their candid stories. As the debate about abortion rights intensifies, *The Turnaway Study* offers an in-depth examination of the real-world consequences for women of being denied abortions and provides evidence to refute the claim that abortion harms women. With brilliant synthesis and startling statistics—that thousands of American women are unable to access abortions; that 99% of women who receive an abortion do not regret it five years later—*The Turnaway Study* is a necessary and revelatory look at the impact of abortion access on people's lives.

The Feeling Good Handbook

The Groundbreaking Program with Powerful New Techniques and Step-By-Step Exercises to Overcome Depression, Conquer Anxiety, and Enjoy Greater Intimacy

Plume

From the author of the national bestseller *Feeling Good: The New Mood Therapy* comes a guide to mental wellness that helps you get beyond depression and anxiety and make life an exhilarating experience! With his phenomenally successful *Feeling Good: The New Mood Therapy*, Dr. David Burns introduced a groundbreaking, drug-free treatment for depression. In this bestselling companion, he reveals powerful new techniques and provides step-by-step exercises that help you cope with the full range of everyday problems. * Free yourself from fears, phobias, and panic attacks. * Overcome self-defeating attitudes. * Discover the five secrets of intimate communication. * Put an end to marital conflict. * Conquer procrastination and unleash your potential for success. You will discover that life can be an exhilarating experience. "A wonderful achievement--the best in its class."--M. Anthony Bates, clinical psychologist at Penn Presbyterian Medical Center in Philadelphia "Clear, systematic, forceful."--Albert Ellis, PhD, president of the Albert Ellis Institute

The Game

Penetrating the Secret Society of Pickup Artists *Harper Collins*

Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the

most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym *Style* to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. *The Game* is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

The Art of Self-Improvement

Ten Timeless Truths *Yale University Press*

A brilliant distillation of the key ideas behind successful self-improvement practices throughout history, showing us how they remain relevant today Self-help today is a multi-billion-dollar global industry, one often seen as a by-product of neoliberalism and capitalism. Far from being a recent phenomenon, however, the practice of self-improvement has a long and rich history, extending all the way back to ancient China. For millennia, philosophers, sages, and theologians have reflected on the good

life and devised strategies on how to achieve it. Focusing on ten core ideas of self-improvement that run through the world's advice literature, Anna Katharina Schaffner reveals the ways they have evolved across cultures and historical eras, and why they continue to resonate with us today. Reminding us that there is much to learn from looking at time-honed models, Schaffner also examines the ways that self-improvement practices provide powerful barometers of the values, anxieties, and aspirations that preoccupy us at particular moments in time and expose basic assumptions about our purpose and nature.

Attached

The New Science of Adult Attachment and How It Can Help You Find--and Keep-- Love *Penguin*

"Over a decade after its publication, one book on dating has people firmly in its grip." —The New York Times We already rely on science to tell us what to eat, when to exercise, and how long to sleep. Why not use science to help us improve our relationships? In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love. Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways: • Anxious people are often preoccupied with their relationships and tend to worry

about their partner's ability to love them back • Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness. • Secure people feel comfortable with intimacy and are usually warm and loving. Attached guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people they love.

Love Yourself Like Your Life Depends on It *HarperCollins*

THE SELF-PUBLISHED PHENOMENON —NOW FULLY REVISED AND EXPANDED I almost didn't publish *Love Yourself Like Your Life Depends on It*. Here I was, a CEO who'd fallen apart after his company failed, writing a book about how loving himself saved him. I thought I'd be a laughingstock and my career would be finished. But I stepped through the fears and shared my truth with the world. The book went viral. Amazing people all over bought copies for friends and family. For some, this book saved their lives. For others, it was the first time they ever loved themselves. Many readers reached out and asked questions. This taught me that, to create lasting impact, I had to go deeper. So, seven years later, here it is. All the questions I received, resolved. My intention is that by the time you finish this new edition, not only will you be committed to loving yourself, you'll know exactly how to do it. And, most importantly, how to make it last.

Cabin Tripping

Where to Go to Get Away from It All *Artisan Books*

A lushly photographed and detailed inspirational gift book

featuring over 80 spectacular cabins around the world, all available to rent.

Mindset

The New Psychology of Success *Random House*

The updated edition of the bestselling book that has changed millions of lives with its insights into the growth mindset “Through clever research studies and engaging writing, Dweck illuminates how our beliefs about our capabilities exert tremendous influence on how we learn and which paths we take in life.”—Bill Gates, *GatesNotes* After decades of research, world-renowned Stanford University psychologist Carol S. Dweck, Ph.D., discovered a simple but groundbreaking idea: the power of mindset. In this brilliant book, she shows how success in school, work, sports, the arts, and almost every area of human endeavor can be dramatically influenced by how we think about our talents and abilities. People with a fixed mindset—those who believe that abilities are fixed—are less likely to flourish than those with a growth mindset—those who believe that abilities can be developed. Mindset reveals how great parents, teachers, managers, and athletes can put this idea to use to foster outstanding accomplishment. In this edition, Dweck offers new insights into her now famous and broadly embraced concept. She introduces a phenomenon she calls false growth mindset and guides people toward adopting a deeper, truer growth mindset. She also expands the mindset concept beyond the individual, applying it to the cultures of groups and organizations. With the right mindset, you can motivate those you lead, teach, and

love—to transform their lives and your own.

Hems & Homicide

The Apron Shop Series *St. Martin's Paperbacks*

Welcome to the first in the Apron Shop mystery series by Elizabeth Penney, set in the quaint village of Blueberry Cove, Maine where an expert seamstress turned amateur sleuth is getting measured for murder. . . Iris Buckley is sew ready for a change. After the death of her beloved grandfather, Iris decides to stay in her Maine hometown to help out her widowed grandmother, Anne—and bring her online hand-made apron designs to real-time retail life. Her and Anne’s shop, Ruffles & Bows, is set to include all the latest and vintage linen fashions, a studio for sewing groups and classes, and a friendly orange cat. The only thing that they were not planning to have on the property? A skeleton in the basement Anne recognizes the remains of an old friend, and when a second body shows up in the apron shop—this time their corrupt landlord, whom Anne had been feuding with for decades—she becomes a prime suspect. Now, it’s up to Iris to help clear her name. Enlisting the help of her old high-school crush Ian Stewart who, like certain fabrics, has only gotten better-looking with age and her plucky BFF Madison Morris, Iris must piece together an investigation to find out who the real killer is. . .and find a way to keep her brand-new business from being scrapped in the process.
