Installation | BT Help

In years gone past, it was the responsibility of the phone company not only to bring phone service to your house but to do the phone wiring within your house as well. This is no longer the case. When you order phone service to your house, the local phone company installs a network interface device , a sturdy grey plastic box usually mounted either in your basement or on an outside wall.

Doing your own telephone wiring

Basic is a low-cost package that broadband providers run at a loss, in order to meet their Universal Service commitment. Basic aims to keep phones ringing in the most vulnerable households by charging just £5.16 a month. This comes with a call allowance of £1.50, plus free weekend calls to 0845 and 0870 numbers (lasting up to 60 minutes).
