Karzan, il favoloso uomo della jungla (1972) - IMDb

Director Elia Kazan was master of the gritty drama,and this is a worthy addition to the list of his great films. A biting satire on the cult of personality,of the sort that now fill our television screens,a nobody,but with the personality,presence and home-spun philosophy that appeals to an audience,firstly on local radio,then snowballing to national television.

Kazan called this his "first real film" because of those factors. In 1954 he again used Brando as a star in On the Waterfront. As a continuation of the socially relevant themes that he developed in New York, the film exposed corruption within New York's longshoremen's union.

Elia Kazan - Wikipedia

And as a leader of the revolutionary "New" theatre of the `30s and 40s, Kazan was instrumental in bringing true realism - the elusive merger of Art and Life - to both stage and film. As a journey through a tumultuous and significant life that both incorporates and encapsulates most of this last century, this book has everything a serious reader could ask for - it's both sensitive and smart.

Kazan's second film as a director and second literary adaptation after the immortal classic A Tree Grows In Brooklyn finds the Greek master attempting to mount a glossy studio picture starring one of the most popular onscreen teams of all time, Katherine Hepburn and Spencer Tracy. While successful at the box office in its day, the film has not aged well.
