Expiration Day *Tor Teen*

It is the year 2049, and humanity is on the brink of extinction.... Tania Deeley has always been told that she's a rarity: a human child in a world where most children are sophisticated androids manufactured by Oxted Corporation.

When a decline in global fertility ensued, it was the creation of these near-perfect human copies called teknoids that helped to prevent the utter collapse of society. Though she has always been aware of the existence of teknoids, it is not until her first day at The Lady Maud High School for Girls that Tania realizes that her best friend, Siân, may be one. Returning home from the summer holiday, she is shocked by how much Siân has changed. Is it possible that these changes were engineered by Oxted? And if Siân could be a teknoid, how many others in Tania's life are not real? Driven by the need to understand what sets teknoids apart from their human counterparts, Tania begins to seek answers. But time is running out. For everyone knows that on their eighteenth "birthdays," teknoids must be returned to Oxted—never to be heard from again. Told in diary format, *Expiration Day* is the powerful and poignant story of a young girl coming of age and discovering what it means to be truly human by a talented debut novelist. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

"Don't miss this dazzling tour de force."—Katherine Applegate, Newbery Medal winning author of *The One and Only Ivan* This gripping novel about survival and family is based on the real story of one wolf's incredible journey to

find a safe place to call home. Illustrated throughout, this irresistible tale by award-winning author Rosanne Parry is for fans of Sara Pennypacker's *Pax* and Katherine Applegate's *The One and Only Ivan*. The trip is full of peril, and Swift encounters forest fires, hunters, highways, and hunger before he finds his new home. Don't Worry, Little Crab *Candlewick Press (MA)*

From the award-winning creator of *Shh! We Have a Plan* comes a vibrantly colorful story about mustering the courage to try something new. Little Crab and Very Big Crab live in a tiny rock pool near the sea. Today they're going for a dip in the big ocean. "This is going to be so great," says Little Crab, splish-splashing and squelch-squelching along, all the way to the very edge. Then comes a first glance down at the waves. WHOOSH! Maybe it's better if they don't

go in? With vivid colors, bold shapes, and his trademark visual humor, Chris Haughton shows that sometimes a gentle "don't worry, I'm here" can keep tentative little crabs sidestepping ahead -- and help them discover the brilliant worlds that await when they take the plunge.
