TractorData.com Allis Chalmers B-1 tractor information

Some of these scammers are sending out photographs of an Allis which has been taken off the internet and bares no resemblance to what our members have advertised for eg. a member wanted Allis B parts and was sent a photo of a pristine Allis B on display in a museum from the internet. These people can be in the UK or abroad, the latest being from America.

Welcome - Allis Chalmers Owners Club

If you own an Allis-Chalmers tractor, then you probably have some problems trying to fix or maintain your tractor properly. After all, Allis-Chalmers produced tractors and other agricultural implements from 1914 to 1985 only, which means that even the most recent Allis-Chalmers tractors came out when the current generation of farmers were still teenagers.

Allis Chalmers Manuals | Parts, Service, Repair and Owners ...

The Allis-Chalmers model B was the result of research by Harry Merritt, Allis tractor division manager, into U.S. farm sizes in the early 1930s. At that time, most tractors were being used on farms

larger than 100 acres, while more than half of all farms were under 100 acres. The Allis B was specifically designed to enter into the small-farm market, and early literature focused on the economy of using tractors instead of horses.
