WHAT IS JUDICIAL REVIEW? The Bowman Report¹ summarised judicial review as, ‘the means by which those with a “sufficient interest” can challenge the exercise or non-exercise of powers by public bodies on the grounds of illegality, irrationality or procedural impropriety’.

Although originally a cause of action against central or local government, judicial review now extends to cover many non-governmental organisations and into the commercial world. Put another way, administrative law

Judicial review is a legal procedure by which the High Court can review a decision of, or inaction on the part of, a public body, official, or government department. Depending on the circumstances of the matter being reviewed, the High Court has the power to strike down (or quash) a decision, or alternatively has the power to require a public body to take specific action, or indeed to refrain from taking certain action.
