In North America and Europe, the dual earner model is now more common than the male breadwinner model. Men and women no longer specialize in one role. Both are involved in paid work and care for...

Research: When Juggling Work and Family, Women Offer More ...

Women, Work and Family is a classic of women's history and is still the only text on the history of women's work in England and France, providing an excellent introduction to the changing status of women from 1750 to the present.

Women, Work and Family by Louise A. Tilly

Work and family are both central to our daily lives. Attempting to balance more numerous and complex work and family roles is a source of stress for many of us, mainly because it causes role strain and spillover. Role strain occurs when the responsibilities of one role interfere with

your ability to fulfill the other roles in your life.

Women continue to bear a heavier burden when it comes to balancing work and family, despite progress in recent decades to bring about ...

Women still bear heavier load than men in balancing work ...

Young Women, Work and Family in England 1918-1950 is in almost every respect an admirable book—it does what it says on the jacket and its footnotes catalogue the rich evidence for this important topic. My only regret is that, for the reader, the dense and properly cautious text is sometimes hard-going and may defeat less-confident student readers.
