The New Consumerism: Redefining Ownership, Values and ...

Following the remarks of Philip Kotler, it can be said that the societal marketing concept holds the organisational task to determine the needs, wants, and interests of the target markets and to deliver the desired satisfaction more effectively and efficiently than competitors in a way that preserves or enhances the well-being of the consumers and society.

Marketing Concept and Societal Marketing Concept: Difference

A product is a good or service that satisfies some wants and needs of customers. To create a successful product a business has to develop the product in a way that will meet this need well.

Marketing mix - Satisfying customer needs - National 4 ...

Consumerism is a social and economic order that encourages the acquisition of goods and services in ever-increasing amounts. With the industrial revolution, but particularly in the 20th century, mass production led to overproduction—the supply of goods would grow beyond consumer demand, and so manufacturers turned to planned obsolescence and advertising to manipulate consumer spending.
