India has a history of debate around the nature of "Indian art" and the development of an idiosyncratic style of modernism spurred by the country's independence in 1947. Contemporary Indian artists continue to be critical and engaged with issues linked to the country's turbulent and fraught history of colonialism, decolonization, and division.

Modern Indian paintings generally deal with everyday events and current situations. On the other hand, an abstract painting deals with very sensitive topics with deeper meaning that need better treatment. Both these genres are highly appreciated by the Indian art collectors. In the early days, Indian art was mainly sought by older customers who ...

Contemporary Indian Art - Finding Gems in Paintings

The modern Indian art movement in Indian

painting is considered to have begun in Calcutta in the late nineteenth century. The old traditions of painting had more or less died out in Bengal and new schools of art were started by the British. Initially, protagonists of Indian art such as Raja Ravi Varma drew on Western traditions and techniques including oil paint and easel painting. A reaction to the Western influence led to a revival in primitivism, called as the Bengal school of art, which drew

Contemporary Indian art matches the cultural and ideological diversity of the nation, and thanks to rapid globalization is

becoming increasingly visible in the international art world. Subodh Gupta 's often-monumental installations link the realities of life in northern India with the broader forces of urbanization and globalization, while Zarina makes intimate works on paper that engage with the violent partition of India and Pakistan, as well as her own dislocation from home.
