BASIC ADVOCACY SKILLS

The advocacy skills presented here include practices based on knowledge and behavior around working with clients and most importantly founded in maintaining victim/survivor-oriented services. This includes practicing trauma-informed care, advocating with the empowerment model, and using strength-based, culturally-responsive approaches to enable survivors to regain their autonomy and to reach diverse populations.

Advocacy Skills - MIVAN

“Engaging grassroots and developing local strategies is one of the most important elements of advocacy efforts, and often one of the hardest skills to come by. People in and around DC are well-versed in talking to Beltway reporters and sending a message up to the Hill, but too many people fail to take a step back and get a real pulse of what is happening in the communities you are ultimately influencing.”
