The Book Thief *Knopf Books for Young Readers*

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME

The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has

never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist-books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times

“Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today
DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Olympic Pride, American Prejudice

The Untold Story of 18 African Americans Who Defied Jim Crow and Adolf Hitler to Compete in the 1936 Berlin Olympics
Simon and Schuster

In this “must-read for anyone concerned with race, sports, and politics in America” (William C. Rhoden, *New York Times*

bestselling author), the inspirational and largely unknown true story of the eighteen African American athletes who competed in the 1936 Berlin Olympic Games, defying the racism of both Nazi Germany and the Jim Crow South. Set against the turbulent backdrop of a segregated United States, sixteen Black men and two Black women are torn between boycotting the Olympic Games in Nazi Germany or participating. If they go, they would represent a country that considered them second-class citizens and would compete amid a strong undercurrent of Aryan superiority that considered them inferior. Yet, if they stayed, would they

ever have a chance to prove them wrong on a global stage? Five athletes, full of discipline and heart, guide you through this harrowing and inspiring journey. There's a young and feisty Tidye Pickett from Chicago, whose lithe speed makes her the first African American woman to compete in the Olympic Games; a quiet Louise Stokes from Malden, Massachusetts, who breaks records across the Northeast with humble beginnings training on railroad tracks. We find Mack Robinson in Pasadena, California, setting an example for his younger brother, Jackie Robinson; and the unlikely competitor Archie Williams, a lanky book-smart teen in Oakland takes home

a gold medal. Then there's Ralph Metcalfe, born in Atlanta and raised in Chicago, who becomes the wise and fierce big brother of the group. From burning crosses set on the Robinsons's lawn to a Pennsylvania small town on fire with praise and parades when the athletes return from Berlin, *Olympic Pride, American Prejudice* has "done the world a favor by bringing into the sunlight the unknown story of eighteen black Olympians who should never be forgotten. This book is both beautiful and wrenching, and essential to understanding the rich history of African American athletes" (Kevin Merida, editor-in-chief of ESPN's *The Undefeated*).

The Very Best of John Williams

Guitar Studies

Grade 1 *Mel Bay Publications*

A carefully graded series of exercises, solos, duets, and chord studies which are an ideal supplement to the Mel Bay Modern Guitar Method Grade 1 and to the note-

reading section of Mel Bay's Guitar Class Method. Studies are included for each string, and the keys of C, A minor, G, and E minor are presented. Guitar Studies Grade 1, in addition, will be a valuable aid to any beginning guitar student and the content will augment and enhance learning regardless of the basic instructional text being used. In notation only.

The Song Index of the Enoch Pratt Free Library *Routledge*

The Song Index features over 150,000 citations that lead users to over 2,100 song books spanning more than a century, from the 1880s to the 1990s. The songs cited represent a multitude of musical practices, cultures, and

traditions, ranging from ethnic to regional, from foreign to American, representing every type of song: popular, folk, children's, political, comic, advertising, protest, patriotic, military, and classical, as well as hymns, spirituals, ballads, arias, choral symphonies, and other larger works. This comprehensive volume also includes a bibliography of the books indexed; an index of sources from which the songs originated; and an alphabetical composer index.

Highbrow/Lowbrow

The Emergence of Cultural Hierarchy in America *Harvard University Press*

Orchestral "Pops" Music

A Handbook *Scarecrow Press*

In this second edition of *Orchestral "Pops" Music: A Handbook*, Lucy Manning brings forward to the present her remarkable compendium of information about this form of orchestral music. Since the appearance of the first edition in 2008, this work has proven critical to successful "pops" concert programming. With changes in publishers and agents, the discontinuation of the publication of certain original material or, worst of all, presses going out of business, music directors, orchestra conductors, and professional instrumentalists face

formidable challenges in tracking down accurate information about this vast repertoire. This revised handbook alleviates the time-consuming task of researching these changes by offering a list of works for orchestral "pops" concerts that is comprehensive, informative, and current. Manning's emphasis on clarity and accuracy gives users an indispensable tool for gathering vital information on the style, instrumentation, and availability of the repertoire listed, as well as notes on its performance. The user-friendly appendices include expanded instrumentation choices, easy-to-find durations, and handy title cross-references. In addition to

corrections and updates, this new edition of *Orchestral "Pops" Music* includes at least 1,000 new title listings. *Orchestral "Pops" Music: A Handbook* is the ideal tool for working conductors and orchestral librarians, as well as music program directors at colleges, conservatories, and orchestras.

The Saga

Piano

Accompaniment

Warner Bros Publications

The solos, duets and trios feature the music of one of the most popular films of all time. Titles include: Cantina Band * Han Solo and the Princess * The Imperial March (Darth Vader's Theme) * May the Force Be

with You * Parade of the Ewoks * Princess Leia's Theme * Star Wars (Main Theme) * The Throne Room * Victory Celebration * Yoda's Theme.

Akhada

The Authorized Biography of Mahavir Singh Phogat *Hachette India*

The inspiring story of one of India's greatest wrestling coaches. In 2000, after the Olympic Games closed with much fanfare in Sydney, legendary wrestler Mahavir Singh Phogat watched, dejected, as the prize reserved by his state government for the winner of an Olympic gold medal went unclaimed. Determined to never see this instance repeated, Phogat decided to do

the unthinkable. Much to his neighbours' curiosity, he spent two days digging a pit in his courtyard and asked his young daughters and nieces to join him there at the break of dawn one day. Little did they know that this unusual command from their father would change their lives forever. Yet, each of their wins in the ring, every ambition he had for them, came at great personal cost. In the small village of Balali in Haryana, a state infamous for its practice of female foeticide and low literacy rates, Phogat had to battle not just deep social stigma and an apathetic government but also a disapproving family and personal tragedy to train the girls in his

sport. Akhada tells the remarkable story of a man of tremendous fortitude, of a father who fought against all odds to give his daughters a future they could not have dreamed for themselves.

John Williams's Film Music

Jaws, Star Wars, Raiders of the Lost

Ark, and the Return of the Classical Hollywood Music Style *University of Wisconsin Pres*

John Williams is one of the most renowned film composers in history. He has penned unforgettable scores for Star Wars, the Indiana Jones series, E.T. the Extra-Terrestrial, Jaws, Superman, and countless other films. Fans flock to his many concerts, and with forty-nine Academy Award nominations as of 2014, he is the second-most Oscar-nominated person after Walt Disney. Yet despite such critical acclaim and prestige, this is the first book in English on Williams's work and career. Combining accessible writing with thorough scholarship, and

rigorous historical accounts with insightful readings, John Williams's *Film Music* explores why Williams is so important to the history of film music. Beginning with an overview of music from Hollywood's Golden Age (1933-58), Emilio Audissino traces the turning points of Williams's career and articulates how he revived the classical Hollywood musical style. This book charts each landmark of this musical restoration, with special attention to the scores for *Jaws* and *Star Wars*, Williams's work as conductor of the Boston Pops Orchestra, and a full film/music analysis of *Raiders of the Lost Ark*. The result is a precise, enlightening definition

of Williams's "neoclassicism" and a grounded demonstration of his lasting importance, for both his compositions and his historical role in restoring part of the Hollywood tradition.
