The Americanization Of Europe Culture Diplomacy And Anti ...
Americanization is the influence American culture and business has on other countries outside the United States, including their media, cuisine, business practices, popular culture, technology or political techniques. The term has been used since at least 1907. While not necessarily a pejorative term, it is most often used by critics in the target country who are against the influences. Americanization has become more prevalent since the dissolution of the Soviet Union in 1991 and especially sin

Americanization - Wikipedia
The term ‘Americanization’ was initially used to describe the acculturation of European immigrants after they arrived in America. However, by the 1920s, ‘Americanization became so inextricably linked with films that that no one seemed to recall that the issue had ever been discussed without reference to the cinema’ (p. 19).
