booktorrent.my.id

Dr. Sylvia Mader's text, Inquiry into Life, was originally developed to reach out to science-shy students. The text now represents one of the cornerstones of introductory biology education. Inquiry into Life was founded on the belief that teaching science from a human perspective, coupled with human applications, would make the material more relevant to the student.

Inquiry into Life - McGraw-Hill Education

Her ability to reach out to science-shy students

led to the writing of her first text, Inquiry into Life, that is now in its thirteenth edition. Highly acclaimed for her crisp and entertaining writing style, her books have become models for others who write in the field of biology.
