Tackling unconscious bias in court reports

Black youths are less likely to trust their own lawyers and more of them plead not guilty, making them liable to longer sentences when they are convicted. We all know that the justice system is largely operated by the white majority and Judges, police and

prosecutors are more likely than not to be white, making unconscious bias more likely.

Bias in our Criminal Justice System | Jackson Lees

This article is the first in a series exploring the effects that unconscious racial biases have on the criminal justice system in the United States. While this article reports on evidence of those biases, subsequent essays will propose ways to mitigate their effects. In 2009, while chasing a man he caught breaking into his car, off-duty New York City police officer Omar Edwards was shot and killed by a fellow officer, Andrew Dunton, who saw Edwards with his gun

drawn and mistook him for a ...

Can We Reduce Bias in Criminal Justice?

Unconscious biases are thoughts or feelings that you are not aware of that influence your judgments. These biases are rooted in your preferences for or against something. Your preferences may lead you to having favorable or unfavorable biases. (i.e., Everyone from my town is fantastic {favorable bias} or everyone from that generation is lazy

PowerPoint Presentation

Recent work in psychology indicates that people can identify the influence of biases on their behaviour and are able to predict to some

extent their scores on implicit attitude tests, while research in neuroscience has established that conscious and unconscious biases are controlled by the same mechanism within the brain. The term 'unconscious bias' might also be problematic if it provides a convenient euphemism to avoid talking about racism or encourages people to conclude that they are ...

Unconscious biases, also known as implicit biases, are the underlying attitudes and stereotypes that people unconsciously attribute to another person or group of

people that affect how they understand and engage with a person or group. 12 Types of Unconscious Bias in the Workplace

12 Examples of Unconscious Bias & Tips to Reduce Them

...

Unconscious or implicit bias refers to when you form a quick opinion about a situation or person without being consciously aware of it. Our brains form biases by using knowledge about social situations, attitudes, cultures, stereotypes, emotional reactions, and more. We learn these through experiences and exposure to media throughout our life.

The Different Types of Unconscious Bias | Recruitment Guide

Unconscious bias is

hard for us to acknowledge – partly because it's a painfully enlightening process, and partly because, being unconscious, our biases are hard for us to recognise. Consider the following – are any of them things you think or used to think? Blue is for boys, pink for girls. Boys are better at maths and science.

5 steps to reduce unconscious bias in your workplace | The

...

There is now ample evidence that unconscious bias seeps into decisions that affect recruitment, access to healthcare and outcomes in the criminal justice in ways that can disadvantage people from ethnic minorities. White job applicants were found

to be 74% more likely to have success than applicants from ethnic minorities with identical CVs.

Unconscious Bias & the Law | Workplace Discrimination | HR

...

Much of the disproportionality in the criminal justice system is attributable to unconscious stereotypes that affect decision making. The Civil Rights laws of the 1960s were enacted in the context of long-standing public policies and private practices that enforced discrimination and segregation.

Unconscious Bias and the Criminal Justice System¹ Introduction

Implicit bias largely effects the criminal

justice system due to the fact that the generalizations being made by officials and judges makes it hard to see a person's individual characteristics. They often tend to see the defendant as a categorization rather than a human being.

Implicit Bias in the Criminal Justice System - Olivia Heck

...

Unlike direct discrimination, where an individual is targeted specifically due to their protected characteristic, unconscious bias can occur when people within the process have views based on stereotypes or prejudice; for example, the view that a black man must be the aggressor, as arose in

the recent employment tribunal case of Hastings v King's College Hospital NHS Foundation Trust (KCHFT)

How to overcome unconscious bias - People Management
bias in the criminal justice system, comparatively little

recent work has been published on this issue in New Zealand. Despite the volume of international studies, straightforward answers about the nature and extent of bias operating against ethnic minority and indigenous people are seldom forthcoming within the literature.
