There were various beliefs about what happens after death, but the majority believed that the dead would become Osiris. Thus, Egyptians made shabtis – small figures of Osiris and buried these with the dead. If the dead needed to do some work in the afterlife, the shabti could do it for them. Another god involved in the other realm was Ra.

Journey Through the Afterlife — John H. Taylor | Harvard ...

To many Egyptians the tomb was seen as a home for the dead, so it was customary to leave offerings near the body of the deceased. Egyptians believed that even after one's death their spirit would live because their life force was a separate entity that could detach itself from the body. This life force was called the Ka, and was considered to be one part of what the Egyptian believed to be the immortal soul. The Ba was another part of the soul that had increased mobility and dwelled within ...

Ancient Egyptian afterlife beliefs - Wikipedia

As Taylor states in Death and the Afterlife in Ancient Egypt, "It is often observed that they appear to have

devoted greater efforts and resources to preparing for the afterlife than to creating a convenient environment for living" (Taylor, 2001:12). The Egyptians viewed life on earth as one stage and death as the beginning of another.

Egyptian View of the Afterlife Essay - 1687 Words | Bartleby

The great exception to common ancient beliefs about the afterlife was provided by ancient Egypt. Here life was imagined to follow the cyclic pattern of nature. The sun-god Re and the god Osiris exhibited a pattern of death and resurrection. The transition to the afterlife required certain rituals.

Death and Afterlife in Ancient Egypt , Sample of Essays

Egyptian belief in the afterlife and the importance of funerary practices is evident in the great efforts made to

ensure the survival of their souls after death – via the provision of tombs, grave goods and offerings to preserve the bodies and spirits of the deceased.
