Physics is the study of matter, motion,

energy, and force. Here, you can browse videos, articles, and exercises by topic. We keep the library up-to-date, so you may find new or improved material here over time.

Physics library | Science | Khan Academy

The lab experiments count as 15% of your overall grade. Each student must complete a lab report for each experiment, following the format prescribed by the lab instructor, before leaving at the end of the lab session. Any missed lab should be made up by arranging to attend another lab section that same week!
