Tuttle Learning Chinese Characters

(HSK Levels 1 -3) A Revolutionary New Way to Learn and Remember the 800 Most Basic Chinese Characters *Tuttle Publishing*
This user-friendly book is aimed at helping students of Mandarin Chinese learn and remember Chinese characters. At last—there is a truly effective and enjoyable way to learn Chinese characters! This book helps students to learn and remember both the meanings and the pronunciations of over 800 characters. This otherwise daunting task is made easier by the use of techniques based on the psychology of learning and memory. Key principles include the use of visual imagery, the visualization of short "stories," and the systematic building up of more complicated characters from basic building blocks. Although Learning Chinese Characters is primarily a book for serious learners of Mandarin Chinese, it can be used by anyone with an interest in Chinese characters, without any prior knowledge of Chinese. It can be used alongside (or after, or even before) a course in the Chinese language. All characters are simplified (as in mainland China) but traditional characters are also given, when available. Key features: Specially designed pictures and stories are used in a structured way to make the learning process more enjoyable and effective, reducing the need for rote learning to the absolute minimum. The emphasis throughout is on learning and remembering the meanings and pronunciations of the characters. Tips are also included on learning techniques and how to avoid common problems. Characters are introduced in a logical sequence, which also gives priority to learning the most common characters first. Modern simplified characters are used, with pronunciations given in pinyin. Key information is given for each character, including radical, stroke-count, traditional form, compounds, and guidance on writing the character. This is a practical guide with a clear, concise and appealing layout, and it is well-indexed with easy look-up methods. The 800 Chinese characters and 1,033 compounds specified for the original HSK Level A proficiency test are covered.

Bound Feet & Western Dress

A Memoir *Anchor*

"In China, a woman is nothing." Thus begins the saga of a woman born at the turn of the century to a well-to-do, highly respected Chinese family, a woman who continually defied the expectations of her family and the traditions of her culture. Growing up in the perilous years between the fall of the last emperor and the Communist Revolution, Chang Yu-i's life is marked by a series of rebellions: her refusal as a child to let her mother bind her feet, her scandalous divorce, and her rise to Vice President of China's first women's bank in her later years. In the alternating voices of two generations, this dual memoir brings together a deeply textured portrait of a woman's life in China with the very American story of Yu-i's brilliant and assimilated grandniece, struggling with her own search for identity and belonging. Written in pitch-perfect prose and alive with detail, Bound Feet and Western Dress is the story of independent women struggling to emerge from centuries of customs and duty.
