Education

Intermediate Accounting: IFRS Edition provides the tools global accounting students need to understand IFRS and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting: IFRS Edition includes proven pedagogical tools, designed to help students learn more effectively and to

answer the changing needs of this course.

Intermediate Accounting *John Wiley & Sons Incorporated*

Intermediate Accounting by Kieso, Weygandt, and Warfield is, quite simply, the standard by which all other intermediate texts are measured. Throughout the thirty years, and ten best-selling editions, the text has built a reputation for accuracy, comprehensiveness, and student success. This Updated Edition features and incorporates the 2005 FASB key accounting standards that have been updated since the original publication of "Intermediate Accounting, 11th Edition." The Updated Eleventh Edition maintains the qualities for which the text is globally

recognized, and continues to be your students' gateway to the profession! Included in the package is the "Problem-Solving Survival Guide."

Accounting *John Wiley & Sons*

Accounting: Tools for Business Decision Making, 7th Edition is a two-semester financial and managerial accounting course designed to show students the importance of accounting in their everyday lives. Emphasizing decision-making, this new edition features relevant topics such as data analytics as well as the time-tested features that have proven to be of most help to students.

Study Guide, Volume II (Chapters 15-24) to accompany Intermediate

Accounting *Wiley*

Each study guide chapter is comprised of a detailed chapter review, demonstration problems, true/false, multiple-choice, matching questions, and comprehensive exercises. Solutions to study guide questions are provided.

Financial and Managerial Accounting *John Wiley & Sons*

Financial and Managerial Accounting provides students with a clear introduction to fundamental accounting concepts beginning with the building blocks of the accounting cycle and continuing through financial statements. This product is ideal for a two-semester Financial and Managerial Accounting sequence where students spend equal time learning financial and managerial

accounting concepts as well as learn the accounting cycle from a corporate perspective.

Intermediate Accounting *Wiley*

The bestselling book on intermediate accounting, Kieso is an excellent reference for practicing accountants and an invaluable resource for anyone entering the field. It integrates FARS/Codification exercises, cases, and simulations into the chapters. This introduces readers to the codification project. They'll learn how to leverage everyday accounting programs like Excel, GLS, and other computerized accounting software giving them a strong background in the tools needed in the accounting profession. New and existing content is arranged in a way to

offer accountants a chance to review key concepts. New to This Edition: NEW IFRS content: Intermediate Accounting, 13e, includes, in 20 of the 24 chapters, a "Convergence Corner" feature that demonstrates to readers how international financial reporting standards apply to the main topics of the chapter. * Updated Appendix 24B provides a complete discussion of the international accounting and reporting environment, with the latest convergence developments. * Quick-hitting International Insights in the margins compare or contrast international standards with a point under discussion in the nearby text. * New end-of-chapter Questions in each chapter focus on international standards introduced in the chapter. These

questions are marked with an icon for easy reference. * International Reporting Cases ask readers to analyze financial statements of international companies and apply analysis with the application of international standards. Updated Fair Value discussions: Fair value has been expanded at both the introductory level in Chapter 2 and in subsequent chapters where appropriate. The more thorough discussion in Chapter 2 lays the groundwork for expanded discussions in later chapters. The result is a solid understanding of fair value in the accounting profession today. FASB Codification: This edition integrates the new FASB Codification throughout. References to the accounting pronouncements replaced by a numbering system in each chapter

linked to the new Codification. A list of Codification references at the end of each chapter links the bracketed numbers from the text to the Codification; this list also includes a reference to the preceding literature, for easing the transition to the new system. In addition, a handful of quick exercises in each chapter give readers opportunities for practice and simple research in the Codification. Revised End-of-Chapter Material: Names, numbers, and dates in all end-of-chapter materials, including brief exercises and problems, have been changed. Expanded CPA-prep Professional Simulations: Now be offering a complete online Wiley CPA prep course electronically. Updated real-world focus: This edition contains many new chapter-

opening stories and “What Do the Numbers Mean?” boxes. Such applications join theory and practice, and demonstrate to readers the use of accounting in today’s business world.
