The Kodály method, also referred to as the Kodály concept, is an approach to music education developed in Hungary during the mid-twentieth century by Zoltán Kodály. His philosophy of education served as inspiration for the method, which was then developed over a number of years by his associates. In 2016, the method was inscribed as a UNESCO Intangible Cultural Heritage.

Chapter 4: Approaches to Music Education | Music and the Child

Kodaly said that the children's own folk music is familiar to the children, and therefore should be the starting point of the children's music education. Should not the children's own popular music be incorporated for the same reason? Choksy might be speaking more from her own musical tastes than from her training and experience.
