Yoder And Wise Leadership Slibforyou

Patricia S. Yoder-Wise. In any discipline, most practitioners think of a leader as someone with positional authority. Terms such as manager, director, chief, and leader convey positional authority. In healthcare organizations, a hierarchy exists of who is in charge. Realistically, however, every registered nurse is seen by law as a leader one who has the opportunity and authority to make changes for his or her patients.

Sample Chapter 02 from Yoder-Wise: Leading and Managing in ...

Introduction.

Transformational leadership theory is the process whereby the leader attends to the needs and motives of their followers so that the interaction advances each to higher levels of morality and motivation (Yoder-Wise, P., 2014, pg. 10). In its most optimal form, it produces positive and valuable change within the followers with the purpose of developing the followers into leaders.
