Violin Finger Pattern Chart The Violin Finger Charts. Violin finger charts are a quick, visual way for beginner violinists to understand the geography of the violin fingerboard. Simple diagrams to show finger placing can also help in early note reading. Tutor books such as C. Paul Herfurth's A Tune A Day traditionally combine finger charts with music theory and note-reading exercises to help build a clear understanding of

how the position of each finger on the violin strings relates to the notes on the staff.

Here are a few violin fingering charts for the most common beginning scales. When you first start playing you may start by learning one new finger at a time. Once you have a first, second and third finger under your belt, you can start on your scales. D major (1 octave) or G major (1 or two octaves) are the most common to begin with since they have easy finger patterns to remember, and avoid the F natural on the E string which can be a bit awkward to start with.
