Whirlwind is the fifth

book out of six. I chose  
this book because out  
of all the books I read  
in the series this one  
was the most  
suspenseful. Dream  
house kings is about a  
family who buys a  
mysterious house but  
later on they find a  
secret hallway and in  
the hallways are  
portals to different  
times in history and  
they are always  
shifting.

**Dreamhouse Kings  
Series by Robert  
Liparulo**

The fifth installment in Robert Liparulo's Dreamhouse Kings series picks up from the cliffhanger ending of Timescape, with David King trapped in a bone-filled prison, and Xander locked into a life threatening confrontation with Taksidian. Unlike the

previous installments in the series, Liparulo graciously incorporates some expository details to remind readers of the general elements of the previous titles in the series.
