What To Study For The Earth And Space Science Topic In The GED Test. The Earth and Space topic in the GED Science test constitutes 20 percent of your GED Science score. While it may not be as big a percentage as the other sections, namely, Life and Physical sciences, it is also the easiest among the three. Acing the space and science section would help you a lot in your score especially if you don't do very well in the other topics included in the science tests.
