Find the Product You Need in the Approval Guide. When you need the right materials to address exposures and

protect your facilities, only FM Approved products will do. The Approval Guide houses real-time information about tens of thousands of products and services tested and FM Approved. Click [here](#) for complimentary access to the Approval Guide.

FM Approvals: Approval Guide

Question. I would like to know how supplier status in the Approved Supplier List (ASL) should be managed so that there is complete traceability. For instance, a vendor

status is changed from approved to not approved in the ASL for reasons other than substandard performance which is documented in an audit report, how should QA document such change to ensure that these changes are tracked.

Approved Supplier List - ASQ
