Surprise Daddy

Marshal Howard is a death wish wrapped in mystery. Over six feet of hulking muscle that screams leave me the hell alone. Cold, rude, insanely overprotective single dad. Everyone in our little town warned me to stay far, far away.

Surprise Daddy by Nicole Snow - Goodreads

If I had to be negative it would be the title of this book, surprise daddy. Absolutely wrong for both stories, whoever came up with that needs firing.

Nicole is a talented author with good stories to tell, with better marketing and titles these could really do well. The first story earned the four stars because it was just right on the button.
