Seminar paper from the year 2005 in the subject English Language and Literature Studies - Literature, grade: 2, University of Kassel (Fachbereich Sprachwissenschaften), course: The Power of Reading Books, 13 entries in the bibliography, language: English, comment:, abstract: Reading as an intellectual competence opens the way to explore culture and knowledge, to participate in cultural life and to enjoy literature. Culture and knowledge are parts of our education and are central to our ability to think critically on any topic. Studying literature plays a central role in

developing these skills. According to Hesse (2002, p.50f.), there are some elementary goals of literacy teaching, such as (1) focussing on specific parts of the text, (2) the use of methods which support an active and productive reading behaviour, (3) a change of intensive and extensive phases of reading and (4) the relation to students' interests. Literature studies offer students opportunities to work on carefully chosen texts provided by the teacher. Results from the PISA studies of 15-year-old poor readers in Germany illustrate the importance of finding adequate literature for the EFL classroom. In our term paper, we want to examine how far Sandra Cisneros' *The*

House on Mango Street is relevant for the EFL class. The questions which chances and opportunities the novel bears and for which purpose its plot is useful to discuss different topics are in the centre of interest. Therefore, the term paper shows didactical and methodological aspects, i.e. how the book relates to the curriculum as well as to the students' lives, which learning strategies and social forms can be applied. Therefore, we have provided several tasks to be used in the EFL class which all bear a differentiated analysis. On the one hand, the tasks have a tendency towards creating a relationship between the text and its reader, on the other hand, they enlarge students'

abilities to use various learning strategies and methods

On Girlhood: 15 Stories from the Well-Read Black Girl Library *Liveright Publishing*

Proudly introducing the Well-Read Black Girl Library Series, *On Girlhood* is a lovingly curated anthology celebrating short fiction from such luminaries as Rita Dove, Alice Walker, Toni Morrison, and

more. "When you look over your own library, who do you see?" Since founding the beloved Well-Read Black Girl book club in 2015, Glory Edim has emerged as a literary tastemaker for a new generation. Continuing her life's work to brighten and enrich American reading lives through the work of legendary Black authors, she now launches her Well-Read Black Girl Library Series with *On Girlhood*. This meticulously selected anthology features a wide range of unique voices, finally illuminating a distinctly robust sector of contemporary literature: groundbreaking short stories that explore the thin yet imperative line between Black girlhood

and womanhood. Divided into four themes—Innocence, Belonging, Love, and Self-Discovery—the unforgettable young protagonists within contend with the trials of coming of age that shape who they are and what they will become. With this tradition in mind, Innocence opens with Jamaica Kincaid's searing "Girl," in which a mother offers fierce instructions to her impressionable daughter. This deceptively simple yet profound monologue is followed by Toni Morrison's first and only published short story, the now-canonical "Recitatif," about two neglected girls who come together in youth only to find themselves on opposite picket lines in adulthood. In Belonging, Toni Cade Bambara's "The Lesson" follows rambunctious students on a field trip where they are exposed to a new world of luxury. In Love, Dana Johnson's "Melvin in the Sixth Grade" captures the yearning of a lovesick teen smitten with the only boy who looks her way. And in Self-Discovery, Edwidge Danticat's "Seeing Things Simply" charts the creative awakening of Princesse, a young woman with a hunger to be fully seen. These inspiring tales of world builders and rule breakers conclude with Zora Neale Hurston's "How It Feels to Be Colored Me," a personal essay brimming with wit and strength: "When covered by the waters,

I am; and the ebb but reveals me again." At times heartbreaking and at times hilarious, these stories boldly push past flat stereotypes and powerfully convey the beauty of Black girlhood. In bringing together an array of influential authors—past and present—whose work remains timeless, Glory Edim has created an indispensable compendium for every home library and a soul-stirring guide to coming of age. Featuring stories by Jamaica Kincaid, Toni Morrison, Dorothy West, Rita Dove, Camille Acker, Toni Cade Bambara, Amina Gautier, Alexia Arthurs, Dana Johnson, Alice Walker, Gwendolyn Brooks, Edwidge Danticat, Shay

Youngblood, Paule Marshall, and Zora Neale Hurston.

My Wicked Wicked Ways *Vintage*

For those familiar with Cisneros only from her acclaimed fiction, *My Wicked Wicked Ways* presents her in an entirely new light. And for readers everywhere, here is a showcase of one of our

The Book of My Lives *Farrar, Straus and Giroux*

Aleksandar Hemon's lives begin in Sarajevo, a small, blissful city where a young boy's life is consumed with street soccer with the neighborhood kids, resentment of his younger sister, and trips abroad with his engineer-cum-beekeeper father.

Here, a young man's life is about poking at the pretensions of the city's elders with American music, bad poetry, and slightly better journalism. And then, his life in Chicago: watching from afar as war breaks out in Sarajevo and the city comes under siege, no way to return home; his parents and sister fleeing Sarajevo with the family dog, leaving behind all else they had ever known; and Hemon himself starting a new life, his own family, in this new city. And yet this is not really a memoir. *The Book of My Lives*, Hemon's first book of nonfiction, defies convention and expectation. It is a love song to two different cities; it is a heartbreaking paean to

the bonds of family; it is a stirring exhortation to go out and play soccer—and not for the exercise. It is a book driven by passions but built on fierce intelligence, devastating experience, and sharp insight. And like the best narratives, it is a book that will leave you a different reader—a different person, with a new way of looking at the world—when you've finished. For fans of Hemon's fiction, *The Book of My Lives* is simply indispensable; for the uninitiated, it is the perfect introduction to one of the great writers of our time. Living Up The Street

In a prose that is so beautiful it is poetry, we see the world of growing up and going somewhere through the dust and heat of Fresno's industrial side and beyond: It is a boy's coming of age in the barrio, parochial school, attending church, public summer school, and trying to fall out of love so he can join in a Little League baseball team. His is a clarity that rings constantly through the warmth and wry reality of these sometimes humorous, sometimes tragic, always human

remembrances.

Letting Go

Rugged Love for Wayward Souls

Zondervan

What do you do when someone you love leaves? And how do you pursue someone who has hurt you, who has sinned against you? In *Letting Go*, pastors Dave Harvey and Paul Gilbert share stories of pain and stories of hope as they reveal how to care for the prodigal who has strayed. Whether you are dealing with an unfaithful marriage partner, a rebellious child, or a wayward friend, the counsel they offer will help you to pursue a gospel-rooted approach, grounded in truth and

practiced in the midst of Christian community. While each situation is unique, most stories deal with common themes of shame, guilt, confusion, uncertainty, and struggle. You will understand the spiritual dynamics at work in the heart of the prodigal and how you as a family member, spouse, friend, or church leader can best relate to them in love. You will learn how to practice “redemptive release” through confrontation and discipline as well as how to forgive the person who has hurt you through a process of reconciliation. For those in a time of waiting and wondering if their loved one will ever return home, there is a reminder of the hope of the gospel

and the necessity of depending upon the Holy Spirit through prayer. A must-have resource for every believer struggling to love the prodigal back home again, it is ideal for parents and siblings, counselors, pastors, and those ministering to hurting families and churches.

Good Morning, Midnight

A Novel *Random House*

"A remarkable and gifted debut novel" (Colson Whitehead) about two outsiders—a lonely scientist in the Arctic and an astronaut trying to return to Earth—as they grapple with love, regret, and survival in a world transformed. THE INSPIRATION FOR THE NETFLIX ORIGINAL FILM THE MIDNIGHT SKY,

DIRECTED BY AND STARRING GEORGE CLOONEY Augustine, a brilliant, aging astronomer, is consumed by the stars. For years he has lived in remote outposts, studying the sky for evidence of how the universe began. At his latest posting, in a research center in the Arctic, news of a catastrophic event arrives. The scientists are forced to evacuate, but Augustine stubbornly refuses to abandon his work. Shortly after the others have gone, Augustine discovers a mysterious child, Iris, and realizes that the airwaves have gone silent. They are alone. At the same time, Mission Specialist Sullivan is aboard the Aether on its return flight from Jupiter. The astronauts are the first human beings to delve this deep into space, and Sully has made peace with the sacrifices required of her: a daughter left behind, a marriage ended. So far the journey has been a success. But when Mission Control falls inexplicably silent, Sully and her crewmates are forced to wonder if they will ever get home. As Augustine and Sully each face an uncertain future against forbidding yet beautiful landscapes, their stories gradually intertwine in a profound and unexpected conclusion. In crystalline prose, *Good Morning, Midnight* poses the most important questions: What endures at the end of the world? How do we

make sense of our lives? Lily Brooks-Dalton's captivating debut is a meditation on the power of love and the bravery of the human heart. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SHELF AWARENESS AND THE CHICAGO REVIEW OF BOOKS "Stunningly gorgeous . . . The book contemplates the biggest questions—What is left at the end of the world? What is the impact of a life's work?"—Portland Mercury "A beautifully written, sparse post-apocalyptic novel that explores memory, loss and identity . . . Fans of Emily St. John Mandel's *Station Eleven* and Kim Stanley Robinson's *Aurora* will appreciate the Brooks-Dalton's exquisite exploration of

Part 4 finally will occupy with Esperanza's identity, on the one hand as a woman and on the other hand as a writer. In part 5 I will sum up my results and draw a conclusion."

The House as the Female Body in "The House on Mango Street" by Sandra

Cisneros GRIN Verlag Seminar paper from the year 2018 in the subject American Studies - Literature, grade: 1.0, University of Potsdam, course: Chicana Life Writing, language: English, abstract: The title of the book "The House on Mango Street" raises expectations and creates questions of its content and intent. Will it be the story of a family in the south, where Mangos grow? Will we meet different characters who inhabit the same house one after another? Or will the house be one-of-its-kind on this special street? In actuality, Sandra Cisneros tells the story of a girl, Esperanza, who lives in a house, set on Mango Street, in a fictional part of Chicago. The 44

vignettes have their roots in stories Cisneros heard, saw, or experienced in real life. The singular in the title should therefore be a plural, because a great number of houses feature in the book. Esperanza visits family and friends while searching for her own future. The House on Mango Street is a growing-up story, yet buildings do not grow into anything. They are falling into disrepair more often than not. So why does a house feature so prominently in the title of a book on growing up? I will argue, that the house in this book can be read as the female body in a patriarchal society. Its immobile state an accusation in the face of a need for change. In 1984 Sandra Cisneros

published *The House on Mango Street* and became one of the first widely read writers of the Chicana movement. A movement that filled the void left for women of Mexican heritage by the U.S. feminist movement on the one hand, and the Chicano movement on the other hand. White middle class women fought for political equality, women's suffrage, and reproduction rights; Latino males fought for equal opportunity with and recognition from the dominant white U.S. American culture. The Chicana had very little interest in political rights, since she was usually concerned with questions of laundry and cooking. She didn't want to fight for recognition from

dominant culture, because she was still dominated by males of her own culture. While the Chicana movement achieved recognition and won many battles since then, the current climate in U.S. politics, the fear of immigrants, the disregard for women's rights to their bodies, shows that there is much to be done. The House on Mango Street remains a book of utmost consequence to feminism, immigration and integration. What Sandra Cisneros captured, and I will try to show, is how the way we think about women influences the way we act toward them and how the same thoughts act on our self-perception.
