New Living Translation. Bible /. Bible Versions /. NLT. The translators of the New Living Translation set out to render the message of the original texts of Scripture into clear, contemporary English. As they did so, they kept the concerns of both formal-equivalence and dynamic-equivalence in mind. On the one hand, they translated as simply and literally as possible when that approach yielded an accurate, clear, and natural English text.

New Living Translation - Translation Method Originally starting out as an effort to revise The Living Bible, a paraphrased version of the Bible, the project evolved into a new English translation from the best Hebrew and Greek texts. The New Living Translation is based on the most recent scholarship in the theory of translation. The challenge for the translators was to create a text that would make the same impact in the life of modern readers that the original text had for the original readers.

The Living Bible, Paraphrased - Google Books

The Living Bible promises to be nothing other than a paraphrase. It is absolutely not a translation of the Scriptures and Kenneth Taylor was quite clear on this. Nobody should let 'The Living Bible' have the last word on a point of doctrine or teaching. But as far as paraphrases go, you still cannot get a better paraphrase than this.
