Time and Again: Book 1 in the History Mystery Series ...

Time and Again is an action-packed time travel adventure. Si Morley is given an opportunity to have "the greatest

adventure any human being has ever had," to travel back in time, through a well-thought-out program using immersion and self-hypnosis. It was fascinating to think about how this might be done, and reading along, I wanted to believe it was possible-almost did believe.

Time and Again (Time, #1) by Jack Finney - Goodreads

 It's the 1st of June

1914 and Hugh Stanton, ex-soldier and celebrated adventurer is quite literally the loneliest man on earth. No one he has ever known or loved has been born yet. Perhaps now they never will be.

**Time and Time Again
by Ben Elton -
Goodreads**

"Pure New York fun"
(Alice Hoffman, New York Times bestselling author), Time and Again is a deeply researched rich portrait of life in New York City more than a century ago, and a swift-moving adventure novel with timeless themes at its core. With digitally remastered art, fall in love with this refreshed classic all over again.

and Again**

**(9780684801056):
Finney, Jack ...**

Since the book's synopsis is already given so completely, there is little point in rehearsing it further here. But it is worth reinforcing the fact that this is not a time travel book, but a viewing through the screen of a computer the unfolding of a period of time centred around a specific house and it's occupants and Charlotte, in particular.

**Time and Again
Audiobook | Deborah
Heal | Audible.co.uk**

Time and again This book was suggested by Steven king at the end of the book 11,22,63. Is a great story but not as good as Steven kings book. Is a good read and I would suggest this book to

anyone into subtle time travel rather than a sci fi epic 8 people found this helpful
