The Patriots

Alexander Hamilton, Thomas Jefferson, John Adams, and the Making of America *National Geographic*

In this masterful narrative, Winston Groom brings his signature storytelling panache to the intricately crafted tale of three of our nation's most fascinating founding fathers--Alexander Hamilton, Thomas Jefferson, and John Adams--and paints a vivid picture of the improbable events, bold ideas, and extraordinary characters who created the United States of America. When the Revolutionary War ended in victory, there remained the

stupendous problem of how to establish a workable democratic government in the vast, newly independent country. Three key founding fathers played significant roles: John Adams, the brilliant, dour, thin-skinned New Englander; Thomas Jefferson, the aristocratic Southern renaissance man; and Alexander Hamilton, an immigrant from the Caribbean island of Nevis. In this complex and riveting narrative, best-selling author Winston Groom tells the story of these men--all of whom served in George Washington's first cabinet--as the patriots fundamentally responsible for the ideas that shaped the foundation of the United States. Their lives and policies could not have been more different; their relationships with each other were complex, and often rife with animosity. And yet these three men led the charge--two of them creating and signing the Declaration of Independence, and the third establishing a national treasury and the earliest delineation of a Republican party. The time in which they lived was fraught with danger; the smell of liberty was in the air, though their excitement was strained by vast antagonisms that recall the intense political polarization of today. But through it all, they managed to shoulder the heavy mantle of creating the United States of America, putting aside their differences to make a great country, once and always. Drawing on extensive correspondence, epic tales of war, and rich histories of their day-to-day interactions, best-selling author Winston Groom shares the remarkable story of the beginnings of our great nation.
