More Work for Mother: Chemical Body Burdens as a Maternal ...

More Work for Mother describes the change not as a capitalist or patriarchal conspiracy, but rather as a series of small steps away from the traditional farming family, with its gender-specific but equally time-consuming tasks, toward completely "separate spheres" for the sexes and households as units of consumption rather than production. Inventions such as washing machines, cotton cloth, and even white flour acted as catalysts by giving the less well-off a chance at the comforts the ...

Perhaps letting the family cook or laundress go meant more work for mother, but the benefits of

finally getting food cooked the way you like it, and not having the maid sort through the family's dirty laundry made it all worthwhile, especially if household technology made it possible to get the chores done by yourself anyway- -and get them done right for a change!

More Work For Mother: The Ironies Of Household Technology ...

"More Work for Mother" In her book More Work for Mother, Ruth Schwartz Cowan argues that the industrial revolution produced a variety of appliances marketed to make housewifery easier, actually made more work for wives and mothers since the appliances, in reality only could do the jobs previously allocated to children, men, and servants.

And yet American housewives in 1960, 1970, and even 1980 continued to log about the same number of hours at their work as their grandmothers and mothers had in 1910,1920, and 1930. The earliest time studies of housewives date from the very same period in which time studies of other workers were becoming popular—the first three decades of the twentieth century.
