Mathematical Programming is a peer-reviewed scientific journal that was established in 1971 and is published by Springer Science+Business Media. It is the official journal of the Mathematical Optimization Society and consists of two series: A and B. The "A" series contains general publications, the "B" series focuses on topical mathematical programming areas. The editor-in-chief of Series A is Jon Lee (U Michigan); for Series B this is Sven Leyffer (Argonne).
