Anthony Giddens - Capitalism And Modern Social Theory: An ...

Social capitalism explicitly values all forms of capital, including social capital, human capital, and

natural capital. Capitalism describes an economic system in which a society's means of production are held by private individuals or organizations, not the government.

What is social capitalism?

Global capitalist society appears to be entering a new phase, yet the social sciences seem ill equipped to elucidate the systemic dynamics of this transformation. Against this background, the 3CT module on History, Social Theory, and Capitalism seeks to interrogate the relation of social and economic inquiry to changes in the large-scale configurations of society, economy and polity.
