The earliest known examples of henchman in written English show it being used as a term for a squire or a page, but the word may have seen earlier use with the meaning "groom." It first appeared in Middle English at the beginning of the 15th century and is a combination of Old English hengest ("a male horse") and man.

Welcome to Off-Roaders World

A considerable number of jeep owners have probably already managed to face the problem of cable breakage of an electric winch. Even if it is made by such a reliable and well-known company as WARN, it can break. It would seem that a sufficiently powerful cable, a cable that can easily withstand the burden of carrying your vehicle, can still break and snap.
