Critical Handover Form (PDO PR-1000_1 Rev1) is provided for use during the handover process. The form ensures that all safety critical information is captured and documented in a format that is easily understood by the incoming party. Operations Handover Procedure

Handover To Operations Guidelines University Of Leeds

Project handover is a process of transition, not a date, and should not only be initiated once a project is completed or approaching completion. This article focuses on project handover of large scale, complex industrial projects to operations teams.

However, the complexity and number of activities and deliverables are huge and cannot be covered in detail in an article of this nature.

Effective Handover of Projects to Operations Teams ...

Understanding that handover is a transition period rather than a date is paramount to smooth the change curve and close the gap between project phase and operational/business as usual. Understanding the need to transfer knowledge and train those who will be 'handed' the project is essential.

How can we hand over projects better?
