Temptations Of Power Islamists And

Nowhere have such considerations become more relevant than in the Middle East, where the uprisings of 2011 swept the Muslim Brotherhood and other Islamist groups to power. In *Temptations of Power*, Shadi Hamid draws on hundreds of interviews with leaders and activists from across the region to advance a new understanding of how Islamist movements change over time. He puts forward the bold thesis that repression "forced" Islamists to moderate their politics, work in coalitions, de-emphasize ...

The underlying question, then as now, is whether Islamists' religious commitments can coexist with others whose respect for democracy, pluralism, and women's rights are indelible. In *Temptations of Power*, Shadi tries to understand why Islamists make certain tactical and strategic choices rather than others and how they perceive their own actions. He focuses his attention on mainstream Islamist movements, most of which are

descendants or affiliates of the Egyptian Muslim Brotherhood.
