Daycare Research Papers - Academia.edu

Sample Research Paper. Caring for a child is a genuine responsibility that parents cannot take lightly. There are two main purposes of child care in the American family today: mother's employment and the children's development. Parents demand affordable child care at the same time as they cannot afford to compromise on quality (Scarr, 1998, 95). Given that a child's development is of utmost importance to them, they must choose day care centers and/or child care providers with caution.

Research Paper: Child Care Centers

In this paper, I will discuss the three types of non parental child care and their influence on the psychological, social and cognitive development of the children who attend. Child care is not a one-size-fit-all service. Because of this, families seek outside care for their children based on their needs, philosophy, knowledge, and budget.
