Is your school lying to you? Get the career you want. Get ...

The school is lying to you. Your parents. Everyone, pretty much. I used to believe their stories that the future was made during your school days. It isn't. The future is malleable, life is long, and there's always time to retrain and do more. Studying science won't make you a scientist any more than studying sport will make you a professional footballer; and studying English and economics sure as hell won't make you a journalist.

Your school is lying to you... : Blog : News & Events ...

However small the lie may seem, remember that your children are like sponges — they may remember and catch you out on a lie that could come back to bite you later down the track! But don't beat yourself up for lying when it's in the best interests of your kids. And if you don't want to ever lie to your kids, that's fine too.
