World War 3 fears as India lashes out at China on controversial border [INSIGHT] ... has warned new equipment and techniques will be needed to fight a modern war.

World War 3 news: China and Russia hope to win without ...

I am happy to argue that, in a sense, we have been fighting World War Three since 1945. That is ever since the Yalta Agreement that carved up the post-WWII world. The three main parties – Britain, the Soviet Union and the United States – agreed on a global division of spheres of influence that has been the basis of nearly all territorial disputes and armed conflicts since then.

Fighting World War Three from the Middle East 1st edition ...

Nuclear warfare is a common theme of World War III scenarios. Such a conflict has been hypothesised to result in human extinction. World War III (WWIII or WW3) and the Third World War are names given to a hypothetical third worldwide large-scale military conflict subsequent to World War I and II. The term has been in use since at least as early as 1941.
