A Beginner's Guide to the French Revolution

No one factor was directly responsible for the French Revolution. Years of feudal oppression and fiscal mismanagement contributed to a French society that was ripe for revolt. Noting a downward economic spiral in the late 1700s, King Louis XVI brought in a number of financial advisors to review the weakened French treasury. Each advisor reached the same conclusion—that France needed a radical change in the way it taxed the public—and each advisor was, in turn, kicked out.
