book is possibly one of the hardest books I've ever read, but it was mesmerising and I could not stop reading it. How can man be as evil as this even if they are from different tribes. I would like to think this will never happen again, but who knows.

season of blood: a rwandan ...**

Prior to my own trip to Rwanda in 1996 I read Keane's account of his trip in 1995. Now, years later I reflect on the 1994 Rwandan genocide and the countless others that recur with regularity throughout the history of mankind. I am weary of the endless bloodshed and stupidity of man that continues on to this

very day.
