Transforming the Culture of Dying By David Clark (Director ...

The Open Society Institute's Project on Death in America (PDIA) was created in 1994 with an ambitious goal: to help transform the experience of dying in the United States. Over the course of nine years, PDIA created funding initiatives in professional and public education, the arts and humanities, research, clinical care, and public policy. PDIA and its grantees have helped build and shape this important and growing field, and have placed improved care of the dying on the public agenda.
