A Child's History of England by Charles Dickens on Apple

...
Truly this is "A Child's History of England" for by the time one has read most of this book they will have arrived at the conclusion that all of European history can be summed up in such a way that even a child could comprehend, even in a word..."war"; both foreign and domestic, waged against its own citizens and those without, with a level of barbarism that only a despot or a government could accomplish.
