Sports Performance Hypnosis Scripts
Sportspeople are used to working with coaches to improve their game. A therapist who focuses on sports

performance is a kind of 'mental coach' - and working on what is going on in the head is arguably even more important than working on what is going on in the body. The physical swing may be 'perfect'.

Sports Performance Hypnosis Scripts | Hypnosis Downloads

Based on accepted sports psychology principles, Sports Hypnosis in Practice goes beyond just introducing hypnosis to sports psychology, but also examines the role of mental training as a whole, including insightful interviews with coaches and former players. In addition to chapters covering specific sports such as golf, tennis, athletics and show-jumping, Dr Tramontana has

included useful guidance for dealing with other issues such as injury recovery and substance abuse.
