 visionary entrepreneur
 Bryan Miles champions
 the benefits of remote
 working, which will

save your company tons of money and create an atmosphere of trust between you and your employees.

Virtual Culture: The Way We Work Doesn't Work Anymore, a ...

It showed that a virtual culture can work and some of the things that will make it work for us. The book does present a bit of a false picture that there are only two alternatives: either people come to a place they don't like to work with people they don't like doing things they don't like towards a vision they don't believe in OR they work from home and love what they do and love the people they work with.

Virtual Culture: The Way We Work

Doesn't Work Anymore, a ...
