No Margin, No Mission: Health Care Organizations and the

... The response to these questions is often “no margin, no mission”—in other words, if a hospital doesn’t make enough money to keep its doors open, its higher purpose is moot—but this is too simplistic a view to take of the inherent tension between hospitals as businesses and hospitals as a form of public service.

“No Margin, No Mission” Is Too Simplistic | Journal of ...

Can the ethical mission of health care survive among organizations competing for survival in the marketplace? On this question hinges not only the future of health care in the US, but that of the health care systems of all advanced countries. This book presents both an analytic framework and a menu of pragmatic answers.
