Dr. Seuss

American Icon *A&C Black*

Philip Nel takes a fascinating look into the key aspects of Seuss's career - his poetry, politics, art, marketing, and place in the popular imagination." "Nel argues convincingly that Dr. Seuss is one of the most influential poets in America. His nonsense verse, like that of Lewis Carroll and Edward Lear, has changed language itself, giving us new words like "nerd." And Seuss's famously loopy artistic style - what Nel terms an "energetic cartoon surrealism" - has been equally important, inspiring artists like filmmaker Tim Burton and illustrator Lane Smith. --from back cover

Home/Land

A Memoir of Departure and Return *Knopf*

A moving reflection on the complicated nature of home and homeland, and the heartache and adventure of leaving an

adopted country in order to return to your native land—this is a “winsome memoir of departure and reversal . . . about the way a series of unknowns accrue into a life” (Jia Tolentino, author of *Trick Mirror*). When the New Yorker writer Rebecca Mead relocated to her birth city, London, with her family in the summer of 2018, she was both fleeing the political situation in America and seeking to expose her son to a wider world. With a keen sense of what she’d given up as she left New York, her home of thirty years, she tried to knit herself into the fabric of a changed London. The move raised poignant questions about place: What does it mean to leave the place you have adopted as home and country? And what is the value and cost of uprooting yourself? In a deft mix of memoir and reportage, drawing on literature and art, recent and ancient history, and the experience of encounters with individuals, environments, and landscapes in New York City and in England, Mead artfully explores themes of identity, nationality, and inheritance. She recounts her time in the coastal town of Weymouth, where she grew up; her dizzying first years in New York where she broke into journalism; the rich process of establishing a new home for her dual-national son in London. Along the way, she gradually reckons with the complex legacy of her parents. *Home/Land* is a stirring inquiry into how to be present where we are, while never forgetting where we have been.
