Identify the assets you would transfer to the trust. You should be detailed—list the specific assets and note their values. If there is an asset that you intend to place in trust but which you haven't yet acquired, include it in your list as well. 2. Decide on the trustees that you would appoint to manage the trust. It is advisable to have between two and four trustees.

Types of Trusts Explained: A Concise

Overview of Different ...

With a trust, the money has to be used according to rules you set out. In the official jargon, a trust is a legal arrangement where one or more people or a company (called the trustees) controls money or assets (called the trust property) which they must use for the benefit of one or more people (the beneficiaries).

Setting up a trust - Money Advice Service

Will trusts are mainly used by couples to split ownership of the family home if they own it as 'tenants in common'. Rather than leaving their share to each other, they each leave it to a trust, which comes into being on

the death of the first partner. Until recently, will trusts were a common way of saving on inheritance tax (IHT). A couple potentially liable for IHT could split their estate into halves, both below the nil-rate band.

Trusts and taxes - GOV.UK

Family trusts can provide extra flexibility in your IHT planning. For example, a family

trust can be used to provide a lifetime income for your spouse but with the assets passing to your children, or to help protect ownership of a family business. The tax treatment of family trusts is complex and depends on the type of family trust being used.

Inheritance tax and family trusts overview | Personal Law ...

A trust is a legal arrangement where you give cash, property or investments to someone else so they can look after them for the benefit of a third person. So, for example, you could put some of your savings aside in a trust for your children. There are two important roles in any trust that you should

understand before you read on.

Using a trust to cut your Inheritance Tax - Money Advice ...

Bereaved minor's trusts and 18-25 trusts are trusts set up under your will for the benefit of a child. These have tax advantages compared to ordinary discretionary trusts. There are also tax advantages to trusts set up under your will for your spouse, and to some trusts where the beneficiary is mentally or physically disabled.

Family trusts | Personal Law Donut

A family trust is just a type of trust that has family members as your beneficiaries. So a family trust is a subset of trusts and not its own distinct type of trust. Just as with

regular trusts, there are two main types: revocable and irrevocable trusts. Build a legacy for your family. Get your estate plan right.

What Is a Family Trust?

A living trust is one way to plan for passing on your estate—property, investments and other assets—to your family or other beneficiaries.
